PREAMBLE

The intent of the parties hereto in carrying out their responsibilities to negotiate the terms and conditions of employment of members of the bargaining unit is to promote the quality and effectiveness of education at FAU and to maintain high standards of academic excellence in all phases of instruction, research, and service. The parties concur that these objectives are facilitated by amicable adjustment of matters of mutual interest. It is recognized by the parties that mutual benefits are to be derived from continual improvement at FAU, and that participation of faculty and professional employees in the formulation of policies under which they provide their services is educationally sound.

While the United Faculty of Florida (hereinafter UFF), as the certified bargaining agent, retains the exclusive right to negotiate and reach agreement on terms and conditions of employment for the members of the bargaining unit, and the FAU Board of Trustees (hereinafter the Board) retains its rights, under law, to manage and direct the parties, recognize the desirability of a collegial governance system for faculty and professional employees in areas of academic concern. It is desirable that the collegial system of shared governance be maintained and strengthened throughout FAU so that employees will have a mechanism and procedure, independent of the collective bargaining process, for making recommendations to appropriate administrative officials.

Collegiality in academic governance can best be accomplished through senates selected by representatives of the appropriate campus constituencies in accordance with FAU's University Faculty Senate constitution and tradition. Appropriate matters of concern should be brought before the Senate by its members or steering committee, or by the President of the University or designated representatives. Among matters which may be of concern to Senates include: (a) curriculum policy and curricular structure; (b) requirements for degrees and granting of degrees; (c) policies for recruitment, admission, and retention of students; (d) the development, curtailment, discontinuance, or reorganization of academic programs; (e) grading policies; and (f) other matters of traditional concern.

In such a collegial system, departments or other traditional governance structures should play an active and responsible role in academic matters, including significant involvement in the recruitment of new faculty and professional employees, the development of high quality programs, participation in the development of tenure, promotion, and merit salary increase criteria, participation in the selection of instructional and library materials, and other matters of professional concern. The collegial relationship is most effective when peers work critically together to carry out their duties in the most professional manner possible.

In recognition of the importance of the collegial system of governance described herein, the President or their representatives shall confer regularly with representatives from the FAU Senate or equivalent bodies.

This Preamble is a statement of intent and policy and is, therefore, not subject to Article 20, Grievance Procedure.

ARTICLE 1 RECOGNITION

- 1.1 Bargaining Unit. The Board has recognized the UFF as the exclusive representative, solely for the purpose of collective bargaining with respect to wages, hours, and other terms and conditions of employment as specifically set forth in this Agreement, for all employees in the bargaining unit pursuant to Certification Order Number 04E-010, dated January 9, 2004. Attached as Appendix "A," is the listing of titles included in the General Faculty bargaining unit.
- 1.2 Board and University Regulations and Policies.
 - (a) If there is an inconsistency between an existing University regulation or policy or Board regulation or policy and an express provision of this Agreement, the Board agrees to follow the language of the Agreement.
 - (b) No new, existing, or amended Board or University regulation, policy, or resolution shall apply to employees if it conflicts with an express term of the Agreement.
 - (c) The Board shall provide to the UFF an advance copy of any proposed Board or University regulation or policy changing a term or condition of employment contained in this Agreement. The Board or the University, as the case may be, shall provide the advance copy of a proposed Board or University regulation no later than the notice period under the provisions of the Regulation Development Procedure for State University Boards of Trustees. The advance copy of a University policy shall be provided in writing to the UFF-FAU President, at least two (2) weeks in advance of its effective date so as to permit the UFF to seek consultation with respect to it. With respect to a regulation adopted pursuant to the emergency provisions of the Regulation Development Procedure, an advance copy shall be provided as far in advance of its effective date as is feasible under the circumstances.
 - (d) If the Board or a committee of the Board has scheduled public hearings on any Board action that would conflict with an express term of this Agreement, the UFF shall not be denied the opportunity to address the matter.
 - (e) If any proposed Board or University regulation, policy, or resolution would have a direct impact on wages, hours, or any other term or condition of employment or modify an express term of this Agreement, the UFF may request in writing that the Board or its designee engage in impact bargaining with respect to the change.

- 1.3 Right to Hear Views. Nothing contained in this Agreement shall be construed to prevent the Board or the University from meeting with any individual or organization to hear views on any matter, provided however, that as to any such matter which is a proper subject of collective bargaining and covered by a term of this Agreement, any changes or modification shall be made only through negotiation and agreement with the UFF.

ARTICLE 2 CONSULTATION

- 2.1 Consultation with President. The President or the designated representatives shall meet with the UFF Chapter representatives to discuss matters pertinent to the implementation or administration of this Agreement, University actions affecting terms and conditions of employment unique to the University, or any other mutually agreeable matters. Such meetings shall occur once (1) per semester in the academic year and once (1) during the summer term unless the parties agree to meet more frequently. The party requesting consultation shall submit a written list of agenda items no less than one (1) week in advance of the meeting. The other party shall also submit a written list of agenda items in advance of the meeting if it wishes to discuss specific issues. The parties understand and agree that such meetings may be used to resolve problems regarding the implementation and administration of the Agreement; however, such meetings shall not constitute or be used for the purpose of collective bargaining.
- 2.2 FAUS Consultation. The Executive Director of the A.D. Henderson University School and the FAU High School (collectively referred to herein) as "Florida Atlantic University Schools" or "FAUS" or his or her representative shall meet with the FAU UFF Chapter representatives to discuss matters pertinent to the implementation or administration of this Agreement, University actions affecting terms and conditions of employment unique to the University or the FAUS, or any other mutually agreeable matters. Such meetings shall occur once (1) per semester in the academic year, unless the parties agree to meet more frequently. The party requesting consultation shall submit a written list of agenda items no less than one (1) week in advance of the meeting. The other party shall also submit a written list of agenda items in advance of the meeting if it wishes to discuss specific issues. This section shall not preclude FAUS issues from being raised at the consultations described in Sections 2.1, above. The parties understand and agree that such meetings may be used to resolve problems regarding the implementation and administration of the Agreement; however, such meetings shall not constitute or be used for the purpose of collective bargaining.

ARTICLE 3 FAU CHAPTER UFF PRIVILEGES

- 3.1 Use of Facilities and Services. Subject to the regulations of the Board and University policies, the UFF shall have the right to use University facilities for meetings and all other services on the same basis as they are generally available to other University-related organizations. The Provost's Office allocated space for the Union in Fall of 2016, which includes phone and internet availability. All expenses for the phone and internet shall be borne by UFF.
- 3.2 Communications.
- (a) The University will place a link in an appropriate place on the University web site to the web site of the FAU Chapter of UFF.
 - (b) Accessing existing University e-mail listservs or establishing a new listserv allowing the UFF electronic communications with employees shall be the subject of consultation pursuant to Article 2, Consultation. UFF agrees to pay a reasonable annual fee to the University if access to a university maintained e-mail listserv is provided. However, such listservs may not be used for election campaigns for public office or for exclusive collective bargaining representation. Employees who are e-mail recipients of the listserv shall have the right to have themselves removed from the listserv upon their written request.
 - (c) FAU and FAUS administration shall provide the union with an updated job code list and unit status changes, pursuant to Appendix A, for the entire bargaining unit at the beginning of each academic year or upon request.
- 3.3 Leave of Absence -- Union Activity.
- (a) At the written request of the UFF, provided no later than May 1 of the year prior to the beginning of the academic year when such leave is to become effective, a full-time or part-time leave of absence for the academic year shall be granted to up to three (3) employees designated by the UFF for the purpose of carrying out UFF's obligations in representing employees and administering this Agreement, including lobbying and other political representation. Such leave may also be granted to up to two (2) employees for the entire summer term, upon written request by the UFF provided no later than April 1 of the preceding academic year. Upon the failure of the UFF to provide the Board with a list of designees by the specified deadlines, the Board may refuse to honor any of the requests which were submitted late.
 - (b) The UFF shall reimburse the University for the employee's salary, fringe benefits, and retirement.
 - (c) Employees on full-time leave under this paragraph shall be eligible to receive salary increases in accordance with the provisions of Section 17.3. Employees on less than full-time leave under this paragraph shall be eligible to receive

salary increases on the same basis as other employees.

- (d) An employee who has been granted leave under this Article for two (2) consecutive academic years shall not again be eligible for such leave until two (2) consecutive academic years have elapsed following the end of the leave. Four (4) employees, designated by the UFF, shall be exempt from the provisions of this subsection. Other exceptions may be granted at the discretion of the Board upon prior written request by the UFF.
- (e) The University or the Board shall not be liable for the acts or omissions of said employees during the leave and the UFF shall hold the University and Board harmless for any such acts or omissions, including the cost of defending against such claims.
- (f) An employee on such leave shall not be evaluated for this activity nor shall such activity be considered by the University in making personnel decisions.
- (g) When a current or former UFF-FAU President applies for tenure, promotion, or instructor promotion, one additional year may be granted towards application. Upon request, a statement acknowledging the extension must be provided and included in the Promotion and Tenure portfolio.

3.4 Released Time.

- (a) Defined. A "Unit" of released time shall consist of a reduction in teaching load of one course for Fall or Spring semester or a 25% reduction in academic assignment for Fall or Spring semester for instructional employees or, for non-teaching employees, a reduction in workload of ten (10) hours per week. The employee and the Chair/Dean, will decide how to implement the released time.
- (b) Types.
 - (1) Representation and Contract Administration. Commencing academic year 2022-2023, the Board agrees to provide a total of four (4) units of released time for both Fall and Spring Semesters and one unit of released time for Summer to full-time employees designated by the UFF for the purpose of carrying out the UFF's obligations in representing employees and administering this Agreement. The UFF may designate employees to receive released time during the academic year, subject to the following conditions: no more than one (1) employee per fifteen (15) employees per department/unit may be granted released time at any one time, nor may any employee be granted more than a two (2) unit reduction in a single semester. The UFF shall provide the Board with a list of requested designees for the academic year no later than May 15 of the preceding academic year, and by April 1 of the preceding academic year for the requested summer designee. Upon the failure of the UFF to provide the

Board with a list of designees by the specified deadlines, the Board may refuse to honor any of the requests which were submitted late. Upon approval of the designees by the Board, the designees shall serve for one (1) academic year. Substitutions for the spring semester may be made upon written notification submitted by the UFF to the Board no later than October 15.

- (2) Collective Bargaining Released Time. The Board will provide released time for a bargaining team representing the UFF for the purposes of engaging in collective bargaining upon the expiration of the contract. Released time will be provided to no more than five (5) members. Collective bargaining released time will be provided during the Spring semester. Released time will consist of five (5) units as defined in Section 3.4(a). A designated FAUS employee may be released for collective bargaining negotiation sessions, with at least two days prior administrative approval. The UFF shall provide the Board with a list of team members no later than May 15. Changes to the collective bargaining team members list may be made upon written notification submitted by the UFF to the Provost no later than September 1. Upon the failure of the UFF to provide the Board with a list of designees by the specified deadlines, the Board may refuse to honor any of the requests which were submitted late.
- (c) Released time shall be used for conducting UFF business and shall not be used for lobbying or other political representation. Leave for lobbying or other political representation may be purchased by the UFF pursuant to Section 3.3.
- (d) Eligibility. Except for Section 3.3, Leaves, employees who are on leave of any kind, shall not be eligible to receive released time. Upon the failure of the UFF to provide a list of designees by the specified deadlines, the Board may refuse to honor any of the released time requests which were submitted late. Substitutions submitted after the October 15 deadline shall be allowed at the discretion of the Board. An employee who has been granted released time for either or both semesters during four (4) consecutive academic years shall not again be eligible for released time until two (2) academic years have elapsed following the end of the fourth academic year in which such released time was granted.
- (e) Rights and Responsibilities. Employees on released time shall be eligible for salary increases on the same basis as other employees, but their released time activities shall not be evaluated nor taken into consideration by the University in making personnel decisions. Employees on released time shall retain all rights and responsibilities as employees but shall not be considered representatives of the University or Board for any activities undertaken on behalf of the UFF. The UFF agrees to hold the University and Board harmless for any claims arising from such activities, including the cost of defending against such claims.

3.6 Board of Trustees Meetings.

- (a) The Board shall make available to the UFF a copy of the agenda of each Board meeting or Board committee meeting at the time those agendas are made available to members of the Board and a copy of the minutes of the Board meetings at the time they are made available to the general public.
- (b) If the Board places an action item on its agenda that implicates collective bargaining, the UFF will be allowed on the agenda subject to the Board's established protocol for its meetings and the authority of the Chair to conduct the proceedings.

ARTICLE 4 RESERVED RIGHTS

- 4.1 Policy. The Board retains and reserves to itself the rights, powers, and authority vested in it, including the right to plan, manage, and control FAU and in all respects carry out the ordinary and customary functions of management.
- 4.2 Limitations. All such rights, powers, and authority are retained by the Board, subject to those limitations imposed by this Agreement. Only violations of such limitations shall be subject to Article 20, Grievance Procedure.

ARTICLE 5 ACADEMIC FREEDOM AND RESPONSIBILITY

- 5.1 Policy. It is the policy of the Board, the University, and the UFF to maintain and encourage full academic freedom. Academic freedom and academic responsibility are essential to the full development of a true university and apply to teaching, research/creative activities and service. An employee engaged in such activities shall be free to cultivate a spirit of inquiry and scholarly criticism and to examine ideas in an atmosphere of freedom and confidence. This is essential to the preservation of a free society and explains the willingness of society historically to accept the concept of academic freedom and, in addition, to protect it through the institution of academic tenure.
- 5.2 Academic Freedom. Academic freedom is the freedom to teach, to conduct research, and to publish the results of that research.
 - (a) When teaching or engaging in assigned duties, to present and discuss academic subjects, frankly and forthrightly, without fear of censorship, and to select instructional materials and determine grades in accordance with Board and University policies. The objective and skillful exposition of subject matter, including the acknowledgement of a variety of scholarly opinions, is the duty of every employee.

(b) To engage in scholarly and creative activity, and to publish results in a manner consistent with professional obligations.

(c) To speak freely on, and seek changes in, academic and institutional policies.

(d) To exercise constitutional rights without institutional censorship or discipline.

5.3 Academic Responsibility. Academic freedom is accompanied by a corresponding responsibility on the part of employees. University faculty are members of a learned profession. As scholars and educators, they should remember that the public may judge their profession and their institution by their utterances. The Board of Trustees, the University, and the UFF accept responsibilities to: (1) scholarship, (2) students and colleagues, (3) the University, and (4) the larger community which the University serves. These responsibilities include:

(a) Scholarly responsibility to be forthright and honest in the creation and communication of scientific and scholarly knowledge and to uphold the ethical standards of their discipline. All members of the FAU community are expected to conduct themselves ethically.

(b) Respecting the relationship between professor, student, and colleagues; adhere to the proper role as teacher, researcher, intellectual mentor, colleague, academic advisor, and supervisor; respect students, staff, colleagues and supervisors and treat them with behavior free from discrimination and harassment; avoid any exploitation of such persons for private advantage; recognize their right to enjoy full academic freedom; and respect the integrity of the evaluation process with regard to students, staff, colleagues, and supervisors.

(c) Contributing to the orderly and effective functioning of the academic unit (program, department, school, and/or college) and/or the University by adhering to the principles of shared governance and the regulations of the University. Discussion, dissent, and expression of opinion are to be expected and welcomed in an academic environment and should be conveyed in a respectful manner. Professional interactions should be free from profane or malicious statements, as well as free from statements disparaging the professional capabilities of others. The Board of Trustees and their representatives have responsibilities that include, but are not limited to, promoting intellectual growth, the rights and dignity of employees, and academic freedom.

- (d) Academic freedom is accompanied by corresponding responsibility not to represent oneself as an institutional representative unless specifically authorized as such, with the understanding that mere identification as an FAU employee or by an FAU title or rank shall not be construed as such a representation.

ARTICLE 6 NONDISCRIMINATION

6.1 Statement of Intent. The Board and the UFF shall protect and safeguard the rights and opportunities of each employee to work in an environment free from any form of discrimination or harassment. The parties recognize their obligations under federal and State laws, rules, and regulations prohibiting discrimination, and have made clear their support for the concepts of affirmative action and equal employment opportunity. They desire to assure equal employment opportunities within FAU and recognize that the purpose of affirmative action is to provide equal opportunity to women, minorities, and other affected groups to achieve equality within FAU. The implementation of affirmative action programs will require positive actions that will affect terms and conditions of employment and to this end the parties have, in this Agreement and elsewhere, undertaken programs to ensure equitable opportunities for employees to receive salary adjustments, tenure, continuing multi-year appointments, successive fixed multi-year appointments, promotion, sabbaticals, and other benefits. This statement of intent is not subject to Article 20, Grievance Procedure. Nothing in this Article is intended to alter the eligibility requirements for benefits provided by the University.

6.2 Policy.

- (a) Personnel decisions shall be based upon legitimate occupational qualifications, job related criteria, and performance rather than membership in a protected class identified in Article 6.2(a)(2).

(1) Neither the Board nor the UFF shall discriminate against any faculty member based upon race, color, gender, religious creed, national origin, age, veteran status, disability, political affiliation, sexual orientation, gender identity and expression, or marital status, nor shall the Board or the UFF abridge any rights of faculty members related to union activity granted under Chapter 447, Florida Statutes, including but not limited to the right to assist or to refrain from assisting the UFF, or the exercise of any rights under this Agreement.

(2) Should state or federal law establish any additional protected category for claims of discrimination during the term of this Agreement, the Board and the UFF agree to modify the Agreement pursuant to Article 31.3. Disparate treatment on the basis of a class not protected by federal or

state law may not be grieved if such disparate treatment is required by federal or state law.

(b) Sexual Harassment.

- (1) Sexual harassment is a prohibited form of sex discrimination. Sexual harassment in the employment context is defined as including the following:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment, (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

- (2) In addition to the parties' concern with respect to sexual harassment in the employment context, the parties also recognize the potential for this form of illegal discrimination against students. Relationships between employees and students, even if consensual, may become exploitative, and especially so when a student's academic work, residential life, or athletic endeavors are determined, supervised or evaluated by the employee and are prohibited (see Section 5.3). These relationships may also involve a conflict of interest (see Article 19).

- (c) Investigation of Charges of Discrimination. Charges of discrimination, including those filed by employees against students alleging unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature that constitutes sexual harassment, shall be promptly reviewed/investigated according to University Regulation 7.008, University Policy 1.15, and established University procedures of the Office of Equity and Inclusion. No employee reviewed/investigated under such procedures shall be disciplined until such review is complete and a finding of a violation of the Regulation has been issued. However, if factual findings suggest the employee is incompetent or is engaged in misconduct, the employee may be disciplined under Article 16.

If after the completion of the review/investigation, any finding of a regulation violation is made, a record of the complete findings will be placed in the employee's evaluation file. If no finding of a violation is made, no record of the charge or complaint will be placed in the employee's evaluation file unless the employee requests in writing that a record of the complete review/investigation be placed in the evaluation file. However, if factual findings suggest the employee is incompetent or is engaged in misconduct, the employee may be disciplined under Article 16, and a record placed in the employee's evaluation

file.

- 6.3 Access to Documents. No employee shall be refused a request to inspect and copy documents relating to the employee's claim of discrimination, except for records which are exempt from the provisions of the Public Records Act, Chapter 119, Florida Statutes. An employee may examine such files, upon reasonable advance notice, during regular business hours of the office in which the file is kept, under such conditions as are necessary to ensure its integrity and safekeeping. The University may charge for copies of documents in accordance with law, rule, University procedures, and this Agreement.
- 6.4 Consultation. As part of the consultation process described in Article 2, the parties agree to discuss efforts made to appoint and retain women and minority employees.

ARTICLE 7 MINUTES, RULES, AND BUDGETS

7.1 Board and University Documents.

- (a) The Board shall make available to the UFF with timely written or electronic copy of the following:

- (1) The minutes and agendas of the meetings of the Board and its subcommittees;
- (2) Board regulations published under the Regulation Development Procedure; and
- (3) Copies of the BOT/UFF Agreement and all supplements to the Agreement, consistent with the provisions of Section 28.5.

The Board shall create an electronic report and shall provide an electronic report to the UFF which reflects the annual salary increases provided to employees. The cost associated with the UFF's use of such file shall be borne by the UFF consistent with the costs charged others.

- (b) The University shall ensure that a dated copy of the following documents is made available in an easily accessible location in its main library or by links on the University Web site as soon as promulgated:

- (1) The minutes of the meetings of the Board;
- (2) Board Regulations and the University's policies; and

- (3) The University's operating budget, including the previous year's expenditure analysis.
 - (c) The University recognizes the importance of providing thorough and accurate information concerning the budget and fiscal management of the University. The University will continue to offer at least one public meeting to the University community in the fall semester to provide a detailed explanation of the University's annual budget, which includes Academic Affairs, the Division of Research, and FAUS.
- 7.2 FAUS Documents. A dated copy of the following documents shall be available for employee inspection in an easily accessible location on the FAUS website and the UFF Chapter shall be notified of such location:
- (a) The minutes of the FAUS Advisory Body;
 - (b) The FAUS operating budget, including financial support received by the FAUS from the University, and the allocation of student activity and service fees, and
 - (c) A link to the Florida Statutes and Board, University, and Education rules applicable to FAUS.

ARTICLE 8 APPOINTMENT

- 8.1 Policy. The Board shall exercise its authority to determine standards, qualifications, and criteria in order to fill bargaining unit vacancies with the best possible candidates. Prior to making the decision to hire a candidate to fill a bargaining unit vacancy, the appropriate administrator(s) shall consider recommendations which have resulted from the review of candidates by employees in the department/unit.
- 8.2 Offer of Employment. A successful applicant will receive a letter offering employment and providing, among other information, name, starting date, employment unit, salary, tenure or non-tenure status, credit towards tenure, and principal place of employment.
- 8.3 Appointment Status. At any point in time, the faculty member may login to Workday to view the current job details of their position. Available information includes:
- (a) Professional Classification System title, class code, rank and appointment type;
 - (b) Employment unit (e.g., department, school, college, institute, center, etc.)
 - (c) The dates of appointment;

- (d) Special conditions of employment;
- (e) A statement that the position is (1) tenured, (2) non-tenure earning, (3) tenure-earning, (4) non-permanent status earning, or (5) permanent status;
- (f) A statement that the employee's signature on the Notice of Appointment shall not be deemed a waiver of the right to process a grievance with respect thereto in compliance with Article 20;
- (g) A statement about notice provisions.
- (h) A statement that the appointment is subject to the Constitution and laws of the State of Florida and the United States, the Regulations of the Board and the University, and this Agreement;
- (i) Percent of full-time effort (FTE) assigned;
- (j) Salary rate;
- (k) Principal place of employment.

8.4 Appointments.

- (a) The academic year appointment for faculty shall be for 39 weeks. In cases where the mission of the unit warrants the conversion from an academic year appointment to a calendar year appointment, the salary conversion will be done proportionally. Non-teaching employees may be appointed for periods between nine and twelve months by mutual agreement.

(b) Supplemental Summer Appointments.

- (1) Policy. In recognition of the demonstrated quality and expertise of the FAU faculty, the University, at its discretion, shall endeavor, within the confines of curricular needs, student demand, and available funding, to maximize faculty teaching assignments. No employee shall be obligated to accept a supplemental summer appointment. An employee must accept an offer of a summer appointment within ten days of the offer or forfeit his/her Preference. Supplemental summer appointments shall be offered, either verbally or in writing, no later than five weeks prior to the beginning of the appointment if practicable, in accordance with written criteria. The criteria shall be made available in each college and shall apply to all summer appointments in that college. The criteria shall consider the employees' educational qualifications and experience.

- (2) Preference. The University shall offer two available supplemental summer

appointments equitably and as appropriate in the following order:

First Preference: to qualified full-time bargaining unit employees in the department/school, without an existing summer appointment to teach a class or equivalent assignment, in the following categories: tenured employees, tenure earning employees, senior and university instructors/lecturers, employees with multi-year appointments, and instructors who have taught at the University for at least three consecutive years.

Second Preference: to other bargaining unit employees in the department/school, without an existing summer appointment to teach a class or equivalent assignment, who are qualified.

If all bargaining unit employees, including faculty in the Honors College, qualified to teach a class have already been offered two classes to teach or an equivalent assignment, the University may offer the supplemental summer appointment to anyone who is qualified (e.g., adjuncts).

Faculty assigned to teach a course will not be removed in favor of another faculty member 30 days prior to the first day of class, if practicable.

- (3) Assignments for supplemental summer appointments shall be made in accordance with Florida Statutes (the "twelve hour law"). Assignments for those receiving a summer appointment will be provided according to Article 9.5, and the workload (i.e., number of credits or classes) assigned will be determined at the College's discretion.
- (4) Compensation. An employee who has received a summer appointment to teach a course in accordance with Article 8.4(b) shall be compensated according to the scale below, pro-rated for the credit hours of the course.
 - a. First assigned course: 12.5% for a 3-credit course of regular 9-month base salary as of the prior March 1.
 - b. Second assigned course: At the minimum rate set in Appendix H, so long as the rate does not exceed 12.5% for a 3-credit course of regular 9-month base salary as of the prior March 1.
 - c. Each additional assigned course: At a rate set by the dean of each college, not to exceed the rate paid for the second course.

(c) FAUS Appointments.

- (1) Academic Year Appointments. The academic year appointment period for developmental research school employees consists of a fall and spring semester not exceeding 194 days within approximately 42 contiguous weeks. In scheduling these days, the FAUS shall consider the calendar of

the local districts and such scheduling shall be subject to consultation under Article 2.

- (2) All FAUS appointments after July 2011 are non-permanent status earning as per Florida statutes.
- (3) Probationary Period. The initial Notice of Appointment of a FAUS employee shall include a one school year probationary period during which time the employee's appointment may be terminated without cause or the employee may resign without breach of contract.
- (4) Summer Teaching Appointments. The following provisions apply only to those summer teaching appointments funded by the schools through the use of State funds (FEFP) allocated for that purpose.
 - a. Summer teaching appointments shall be offered equitably and as appropriate to qualified employees in a timely manner. Such appointments shall be made in accordance with written criteria developed with the UFF. The criteria shall be made available in a public place at FAUS.
 - b. Employees shall receive approximately the same hourly rate for teaching a course during a summer appointment as they received for teaching the same or similar course during the academic year, regardless of the length of the summer appointment.
- (d) Additional Compensation Appointments. Additional compensation is defined as compensation for any duties in excess of a full appointment (1.0 FTE). All additional compensation shall be paid through OPS.
- (e) Visiting Appointments. A "visiting" appointment is one made to a person having appropriate professional qualifications, for a limited period. A visiting appointment may not exceed a total of three (3) consecutive years, unless a longer duration is recommended by the dean after consulting with the faculty and approved by the Provost's Office. Persons on visiting appointments will be given a position classification that places them in the bargaining unit, as specified in Appendix "A," Position Classifications.
- (f) Adjunct Appointments. The use of adjuncts shall, upon the request of the UFF Chapter representatives, be a subject of consultation under the provisions of Section 2.1.
- (g) Fixed Multi-Year Appointments at Florida Atlantic University.
 - (1) Between two- to five-year fixed multi-year appointments may be offered for the following:

- a. Senior and University Instructors/Lecturers
- b. Instructors and Lecturers;
- c. Non-tenured or non-tenure earning Assistant Librarians, Associate Librarians, Librarians, and Counselors/Advisors;
- d. Scholars/Scientists, Research Associates, and Associate In/Assistant In _____;
- e. Clinical faculty;
- f. Individuals who have officially retired from universities or other organizations and who are at least 55 years of age;
- g. Tenured employees who decide to give up their tenured status to take advantage of whatever incentives might be offered by a fixed multi-year appointment; and
- h. Individuals who have held the rank of full professor for at least seven (7) years at an institution of higher education.

(2) Any eligible employee who wishes to apply for a fixed multi-year appointment must submit a written request to their department chair and college dean by January 31st of the year their current appointment ends. The employee may be required to provide relevant documentation to the unit or college. The University shall notify the employee in writing of this decision within 60 days, if practicable.

(3) Successive fixed multi-year appointments may be offered to eligible employees hired pursuant to Section 8.4(g)(1) as follows:

- a. Criteria used to determine in which instances to offer successive appointments include consideration of the basis for the initial fixed multi-year appointment, evaluation of performance, professional growth, extent and currency of professional qualifications, contribution to the mission of the department or program, staffing needs, funding source alternatives, and continuing program considerations. Such criteria shall be put in writing by the department/unit and available to all eligible employees.
- b. The employee will be advised in the penultimate year of the appointment that to be considered for a successive fixed multi-year appointment, the employee must submit a request and written documentation pursuant to written procedures established by the

unit. The University shall notify the employee in writing of its decision to offer or not offer a successive appointment.

- 8.5 **Reclassification of an Employee to a Non-Unit Classification.** Employees shall be provided written notice thirty (30) days in advance, where practicable, with a copy to the local UFF Chapter, when the University proposes to reclassify the employee to a classification which is not contained in the General Faculty bargaining unit. The employee may request a review of such action consistent with the provisions of Section 28.6 and UFF may discuss such action pursuant to Article 2, Consultation. If the employee requests a review of such action, no reclassification will become effective until thirty (30) days following the review. No position classification shall be changed to a classification which is not contained in the General Faculty bargaining unit until the UFF has had an opportunity to review and respond.

ARTICLE 9 ASSIGNMENT OF RESPONSIBILITIES

- 9.1 **Policy.** The professional obligation is comprised of both scheduled and non-scheduled activities. The parties recognize that it is a part of the professional responsibility of employees to carry out their duties in an appropriate manner and place. For example, while instructional activities, office hours, and other duties and responsibilities may be required to be performed at a specific time and place, other non-scheduled activities are more appropriately performed in a manner and place determined by the employee in consultation with his/her supervisor.
- 9.2 **Place of Employment.**
- (a) **Principal.** Each employee shall be assigned one principal place of employment, as stated on the letter of appointment and in "Workday". Where possible, an employee shall be given at least nine (9) months' notice of change in principal place of employment. The employee shall be granted, upon written request, a conference with the person responsible for making the change to express concerns regarding such change, including concerns regarding considerations in assignment as described in Section 9.3. Voluntary changes and available new positions within the department shall be considered prior to involuntary changes, if practicable.
 - (b) **Secondary.** Each employee, where possible, shall be given at least ninety (90) days written notice of assignment to a secondary place of employment more than fifteen (15) miles from the employee's principal place of employment. The employee shall be granted, upon written request, a conference with the person responsible for making the change to express concerns regarding such change. If the assignment to a secondary place of employment is made within the regular full-time appointment, the supervisor will make an appropriate adjustment in the assignment in recognition of time spent traveling to a secondary place of

employment. Necessary travel expenses, which may include overnight lodging and meals for all assignments not at the employee's principal place of employment, shall be paid at State rate and in accordance with the applicable provisions of State law.

9.3 Considerations in Assignment.

(a) Assignment will be made with the consideration of the following in no particular order:

- (1) the needs of the program or department/unit in the areas of teaching, research and services;
- (2) the employee's qualifications and experiences, including professional growth and development;
- (3) the character or complexity of the assignment; and
- (4) the opportunity to fulfill applicable criteria for tenure, promotion, continuing multi-year appointments, and successive fixed multi-year appointments.
- (5) The full assignment of faculty, considering status and rank as defined in 9.4(b). The determination of the assignment shall be made by the Chair/Supervisor.

(b) The employee shall be granted, upon written request, a conference with the person responsible for making the assignment to express the employee's concerns. If the conference with the person responsible for making the assignment does not resolve the employee's concerns, the employee shall be granted, upon written request, an opportunity to discuss those concerns with an administrator at the next higher level.

(c) The Board and the UFF recognize that, while the Legislature has described the minimum full academic assignment in terms of twelve (12) contact hours of instruction or equivalent research and service, the professional obligation undertaken by a faculty member will ordinarily be broader than that minimum. In like manner, the professional obligation of other professional employees is not easily susceptible of quantification. The University has the right, in making assignments, to determine the types of duties and responsibilities that comprise the professional obligation and to determine the mix or relative proportion of effort an employee may be required to expend on the various components of the obligation.

(d) No employee's assignment shall be imposed arbitrarily or unreasonably. If an employee believes that the assignment has been so imposed, the employee should proceed to address the matter through the Exclusive Assignment Dispute

Procedures of this Agreement, which shall be the exclusive method for resolving such disputes.

9.4 Annual Assignment.

- (a) Communication of Assignment. Employees shall be apprised in writing, at the beginning of their employment and at the beginning of each year of employment thereafter, of the duties assigned in teaching, research and other creative activities, service, and of any other specific duties assigned for that year.

Except for an assignment made at the beginning of an employee's employment, the person responsible for making an assignment shall notify the employee prior to making the final written assignment. The assignment shall be communicated to employees no later than six (6) weeks in advance of its starting date, if practicable.

- (b) Instructional Assignment. The period of an instructional assignment during an academic year shall not exceed an average of seventy-five (75) days per semester and the period for testing, advisement, and other scheduled assignments shall not exceed an average of ten (10) days per semester. Within each semester, activities referred to above shall be scheduled during contiguous weeks with the exception of Spring Break, if any. Instructional assignments are made with the consideration of status and rank:

- 1) Tenured employees
- 2) Tenure-earning employees
- 3) University Instructors
- 4) Senior Instructors
- 5) Instructors

- (c) Change in Assignment. Should it become necessary to make changes in an employee's assignment, the person responsible for making the change shall notify the employee prior to making such a change and provide justification in writing.

- (d) Equitable Opportunity. Each employee shall be given assignments which provide equitable opportunities, in relation to other employees in the same department/unit, to meet the required criteria for promotion, tenure, continuing multi-year appointments, and successive fixed multi-year appointments.

- (1) For the purpose of applying this principle to promotion, assignments shall be considered over the entire period since the original appointment or since the last promotion, not solely over the period of a single annual assignment. The period under consideration at the University shall not be less than four years. The employee's annual assignment shall be included in the promotion file.

- (2) For the purpose of applying this principle to tenure, assignments shall be considered over the entire probationary period and not solely over the period of a single annual assignment. The employee's annual assignment shall be included in the tenure file.
- (3) If an arbitrator determines that the employee was not provided an "equitable opportunity" as described in this section, the arbitrator may award additional employment requiring the University to provide the "equitable opportunity" as described herein. The arbitrator may also retain jurisdiction for purposes of determining whether the ensuing assignment provides such "equitable opportunity." The arbitrator does not have the authority to grant tenure or promotion.

9.5 Summer Assignment.

- (a) The summer instructional assignment, like that for the academic year, includes the normal activities related to such an assignment as defined by the department/unit and the nature of the course, such as course preparation, minor curriculum development, lectures, evaluation of student efforts, consultations and conferences with students, and minor committee activities during the period of assignment. Upon written approval of the Dean or designee, other credit-generating activities may be offered during the summer term for agreed-to compensation for that specific activity.
- (b) When a summer instructional appointment immediately follows the academic year appointment, the employee may be assigned reasonable and necessary non-instructional duties related to the summer instructional appointment prior to the conclusion of the academic year appointment.
- (c) If a faculty member on a nine-month academic year contract accepts an additional summer course appointment that requires all classes to be conducted at a campus location that is different than their principal place of assignment, the University, at its discretion, will either provide access to an office and computer, or travel reimbursement. Similarly, the University, at its discretion, will either provide access to an office and computer or travel reimbursement, if a faculty member on an additional summer course appointment is teaching on more than one campus during separate terms since these are separate supplemental assignments. If, however, a faculty member has supplemental summer course appointments for teaching on more than one campus during the same or overlapping terms, then travel reimbursement will be provided for travel between their principal place of employment and each campus.
- (d) FAUS employees employed full-time during the summer shall be provided one planning period during the day. Part-time employees shall be provided a proportional planning period. Compensation for the planning period shall be at

the same hourly rate as that for teaching a course during a summer appointment.

- 9.6 Teaching Schedule. Where possible, a teaching schedule shall be established so that the time between the beginning of the first assignment and the end of the last for any one day does not exceed eight (8) hours. Additionally, the time between the end of the last teaching assignment on any day and the beginning of the first teaching assignment on the following day should normally be at least 12 hours if practicable.
- 9.7 Equipment. The University will provide the essential equipment necessary to carry out the instructional assignments.
- 9.8 Workweek.
- (a) Scheduled hours for all employees shall not normally exceed forty (40) hours per week. Time shall be allowed within the normal working day for research, teaching, or other activities required of the employee, when a part of the assigned duties. Supervisors are encouraged to make appropriate reductions or adjustments in the number of hours scheduled in recognition of evening, night, and weekend assignments, and for periods when an employee is on call. Evenings, nights, and weekends when an employee is on call shall be considered in making other assignments.
- (b) Duty-free lunch for FAUS. In the absence of a compelling need, FAUS employees shall have a duty-free continuous lunch period scheduled during the duration of their students' lunch period. It is not the intent of the School to require employees to perform lunchroom duty. If fiscal circumstances change so that such an assignment is necessary, the parties agree to consult or negotiate this assignment.

ARTICLE 10 EMPLOYEE PERFORMANCE EVALUATIONS

10.1 Policy.

- (a) Annual Evaluations. The purpose of the annual evaluation is to assess and communicate the nature and extent of an employee's performance of assigned duties consistent with the criteria specified in Section 10.4. The performance of employees, other than those who have received notice of non-reappointment under Section 12.2, shall be evaluated at least once annually, and they shall be advised of the academic term during which such evaluation will be made. Personnel decisions shall take such annual evaluations into account, provided that such decisions need not be based solely on written employee performance evaluations.

- (b) Sustained Performance Evaluation. The purpose of Sustained Performance Evaluation (“SPE”) is to document sustained performance of assigned duties, acknowledge achievements, and to provide the opportunity for a longer range view of performance and accomplishments. It is also intended to enhance public trust in the University by ensuring that the faculty community undertakes regular and rigorous efforts to hold all of its members accountable for high performance standards.
- (c) The annual evaluation process and the post-tenure review process, are separate and independent of each other, and may run concurrently.

10.2 Sources and Methods of Annual Evaluation.

- (a) Each department Chairperson, or comparable administrator in an academic unit who is responsible for an employee’s annual assignment, shall also be responsible for evaluating the employee.
- (b) In preparing the annual evaluation, the person(s) responsible for evaluating the employee may consider, where appropriate, information from the following sources: immediate supervisor, peers, students, employee/self, other University officials who have responsibility for supervision of the employee, and individuals to whom the employee may be responsible in the course of a service assignment, including public school officials when an employee has a service assignment to the public schools.
- (c) Observation/Visitation. The employee, if assigned teaching duties, shall be notified at least two (2) weeks in advance of the date, time, and place of any direct classroom observation or visitation made in connection with the employee's annual evaluation. If the employee determines that this date is not appropriate because of the scheduled class activities, the employee may request rescheduling. If not rescheduled, at least one additional classroom observation or visitation will be made. The employee shall be notified at least two (2) weeks in advance of the period (for example, a semester) during which the additional observation will be made.

10.3 Procedures for Annual Evaluations.

- (a) Prior to receiving an annual evaluation, employees are required to submit written self-evaluation materials to assist the evaluator for the period under review. The format, contents, and deadline for submission of the materials shall be set by the Dean or evaluator. Failure to submit the materials in a timely manner may adversely affect the annual evaluation and/or result in disciplinary action.
- (b) The proposed written annual evaluation, including the employee's annual assignment which was furnished pursuant to Section 9.4, shall be provided to the employee within ninety (90) days after the end of the evaluation period. This

ninety day deadline shall not apply if the employee's self-evaluation materials were not submitted by the set deadline. The employee shall be entitled to discuss the evaluation with the evaluator by written request for a meeting prior to its being placed in the employee's evaluation file. The evaluation shall be signed and dated by the person performing the evaluation, and shall be signed by the person being evaluated who may attach a concise comment to the evaluation. A copy of the evaluation shall be provided to the employee at least ten (10) days during the regular academic year prior to being placed in the employee's evaluation file. Upon the employee's written request, the administrator at the next higher level will meet to discuss concerns regarding the evaluation which were not resolved in previous discussions with the evaluator.

(c) Each department/unit at FAU shall develop and maintain procedures by which to evaluate each employee according to criteria specified in Section 10.4. These procedures will include the method for the distribution of salary increase funds specified in Article 23 based on said annual evaluation. The employees of each department/unit, who are eligible to vote in department/unit governance, shall participate in the development and revision of these procedures and shall recommend implementation by vote of a majority of at least a quorum of those employees. Any changes to the evaluation process will be done in consultation with the department/unit.

(1) The procedures and proposed revisions thereof shall be reviewed by the President or representative periodically to ensure that they are consistent with the mission and goals of the University and that they comply with this agreement.

(2) If at any time the President or representative determines that the recommended revisions or existing procedures do not meet the conditions in Section 10.3(b) above, the proposal or procedures shall be referred to the department/unit for revision with a written statement of reasons for non-approval. No merit salary increase funds shall be provided to a department/unit until its procedures have been approved by the President or representative.

(3) Approved procedures, and revisions thereof, shall be kept on file in the department/unit office. Employees in each department/unit shall be provided a copy of that department's/unit's current procedures for annual evaluation. Employees will be evaluated based on evaluation criteria that were in effect at the start of the assignment period.

(4) The University is committed to providing assistance to any faculty member who wants or needs to improve the performance of his/her assignment. If

an employee is evaluated as less than satisfactory in any area of the annual evaluation, the employee and the supervisor must develop a written plan to address the employee's performance. This plan will be appended to the annual evaluation.

10.4 Criteria for Annual Evaluation. The annual performance evaluation shall be based on assigned duties. Other non-assigned factors may be considered in the evaluation only if mutually agreed upon by the dean or designee and the employee. Evaluations must be criteria based, not norm referenced. Evaluations shall carefully consider the nature of the assignments, including, where applicable:

- (a) Teaching effectiveness, including effectiveness in presenting knowledge, information, and ideas by means or methods such as lecture, discussion, assignment and recitation, demonstration, laboratory exercise, practical experience, and direct consultation with students. The evaluation shall include consideration of effectiveness in imparting knowledge and skills, and effectiveness in stimulating students' critical thinking and/or creative abilities, the development or revision of curriculum and course structure, and adherence to accepted standards of professional behavior in meeting responsibilities to students. The evaluator may take into account class notes, syllabi, student exams and assignments, and any other materials relevant to the employee's teaching assignment. The teaching evaluation must take into account any relevant materials submitted by the employee, including the results of peer evaluations of teaching, and may not be based solely on student evaluations when this additional information has been made available to the evaluator.
- (b) Contribution to the discovery of new knowledge, development of new educational techniques, and other forms of creative activity. Evidence of research and other creative activity shall include, but not be limited to, published books; articles and papers in professional journals; patents, grants, grant applications or contracts; musical compositions, paintings, sculpture; works of performing art; papers presented at meetings of professional societies; and research and creative activity that has not yet resulted in publication, display, or performance. The evaluation shall include consideration of the employee's productivity, including the quality and quantity of what has been done during the year, and of the employee's research and other creative programs and contributions; and recognition by the academic or professional community of what is done.
- (c) Public service that extends professional or discipline-related contributions to the community; the State, including public schools; and the national and international community. This public service includes contributions to scholarly and professional organizations and governmental boards, agencies, and commissions that are beneficial to such groups and individuals.

- (d) Participation in the governance processes of the institution through significant service on committees, councils, and senates, beyond that associated with the expected responsibility to participate in the governance of the institution through participation in regular departmental or college meetings.
- (e) Other assigned University duties, such as advising, counseling, supervision of interns, and academic administration, or as described in a Position Description, if any, of the position held by the employee.
- (f) To the extent that any changes to the evaluation process impact wages, hours, or other terms and conditions of employment as specifically set forth in this Agreement, the UFF may request in writing that the Board or its designee engage in impact bargaining with respect to the change.

10.5 Proficiency in Spoken English. No employee shall be evaluated as deficient in oral English language skills unless proved deficient in accordance with the appropriate procedures and examinations established in this Article, for testing such deficiency.

- (a) If a supervisor has reason to believe that a faculty member involved in classroom instruction, other than in courses conducted primarily in a foreign language, is deficient in English oral language skills, the supervisor shall make provisions for the faculty member to be tested in accordance with appropriate procedures and examinations for testing such skills. No reference to an alleged deficiency shall appear in the annual evaluation or in the personnel file of a faculty member who achieves a satisfactory examination score determining proficiency in oral English. (English As A Foreign Language (TOEFL): 173 computer based, 500 paper based; or the International English Language Testing System (IELTS): 6.0 band score).
- (b) Faculty who score below a minimum score on an examination established for determining proficiency in oral English (see paragraph (a) above) shall be assigned appropriate non-classroom duties for the period of oral English language instruction provided by the University under paragraph (c) below, unless during the period of instruction the faculty member is found, on the basis of an examination specified above, to be no longer deficient in oral English language skills. In that instance, the faculty member will again be eligible for assignment to classroom instructional duties and shall not be disadvantaged by the fact of having been determined to be deficient in oral English language skills.
- (c) It is the responsibility of each faculty member who is found to be deficient in oral English language skills by virtue of scoring below the satisfactory score on an examination established for determining such proficiency (see paragraph (a)), to take appropriate actions to correct these deficiencies. To assist the faculty member in this endeavor, the University shall provide appropriate oral English language instruction without cost to such faculty members for a period consistent

with their length of appointment and not to exceed two (2) consecutive semesters. The time the faculty member spends in such instruction shall not be considered part of the individual assignment or time worked, nor shall the faculty member be disadvantaged by the fact of participation in such instruction.

- (d) If the University determines, that one (1) or more administrations of a test to determine proficiency in oral English language skills is necessary, in accordance with this section, the University shall pay the expenses for up to two (2) administrations of the test. The faculty member shall pay for additional testing that may be necessary.

10.6 Employee Assistance Programs. Neither the fact of an employee's participation in an employee assistance program nor information generated by participation in the program, shall be used as evidence of a performance deficiency within the evaluation process described in this Article, except for information relating to an employee's failure to participate in an employee assistance program consistent with the terms to which the employee and the University have agreed.

10.7 Sustained Performance Evaluation (SPE).

- (a) Policy. The parties agree that a SPE policy serves a necessary function at the University to recognize faculty excellence and deficiencies through peer review.
- (b) Criteria. The SPE shall be based on assigned duties and shall carefully consider the nature of the assignments, including, where applicable, those listed in Article 10.4(a-e) above.
- (c) Policy Modifications. The Provost or designee may modify these criteria after notifying the UFF Chapter of the proposed changes and offering an opportunity to discuss them in consultation with the Provost or designee. Changes shall not become effective until one (1) year following adoption of the changes, unless mutually agreed to in writing. However, faculty undergoing a sustained performance evaluation within the subsequent five (5) years after the policy is modified may choose to be evaluated using the then existing or newly modified policy. Thereafter, only the new criteria will apply.

ARTICLE 11 EVALUATION FILE

11.1 Policy. There shall be one employee performance evaluation file containing a dated copy of all documents used for evaluation, other than tenure, promotion, continuing multi-year appointments, and successive fixed multi-year appointments. Only documents contained in that file and the sources and methods of annual evaluations specifically identified in Article 10.2 may be used for evaluations and other personnel decisions, other than for tenure, promotion, and continuing multi-year appointments, and subject to the limitations in Section

11.8 below. Such documents shall be placed in the evaluation file within a reasonable time after receipt by the custodian of the file. Employees shall be notified of the evaluation file's location and custodian.

- 11.2 Access. An employee may examine the evaluation file, upon reasonable advance notice, during the regular business hours of the office in which the file is kept, under such conditions as are necessary to ensure its integrity and safekeeping. Upon request, an employee may paginate with successive whole numbers the materials in the file and may attach a concise statement in response to any item therein. Upon request, an employee is entitled to one (1) free copy of any material in the evaluation file within twenty-one (21) calendar days. Additional or expedited copies may be obtained by the employee upon the payment of a reasonable fee for photocopying. A person designated by the employee may examine that employee's evaluation file with the written authorization of the employee concerned, and subject to the same limitations on access that are applicable to the employee.
- 11.3 Indemnification. The UFF agrees to indemnify and hold the Board, its officials, agents, and representatives harmless from and against any and all liability for any improper, illegal, or unauthorized use by the UFF of information contained in such evaluation files.
- 11.4 Use of Evaluative Materials. Copies of materials from the grievant's evaluation file may be used in grievance proceedings.
- 11.5 Anonymous Material. There shall be no anonymous material in the evaluation file except for numerical summaries of student evaluations that are part of a regular evaluation procedure of classroom instruction and/or written comments from students obtained as part of that regular evaluation procedure. If written comments from students in a course are included in the evaluation file, all of the comments obtained in the same course must be included.
- 11.6 Peer Evaluations. Evaluative materials, or summaries thereof, prepared by peer(s) as part of a regular evaluation system, may be placed in an evaluation file when signed by the evaluator or a representative of a peer committee, with a copy provided to the employee. The employee being evaluated shall have the opportunity to review and sign the evaluation prior to it being placed in the evaluation file.
- 11.7 Removal of Contents. As permitted by law, materials established to be contrary to fact shall be removed from the file. This section shall not authorize the removal of materials from the evaluation file when there is a dispute concerning a matter of judgment or opinion rather than fact. Materials may also be removed pursuant to the resolution of a grievance.
- 11.8 Limited Access Information. All documents containing information reflecting

evaluation of employee performance are limited-access records and shall be available for inspection only by the employee, officials of the university responsible for supervision of the employee, or by court order. Other persons such as, but not limited to, the employee's representative and peer committees responsible for evaluating employee performance, may have access with the written permission of the faculty member. Arbitrators or others engaged by the parties to resolve disputes may view the records upon consent by the employee whose file is requested. However, such limited access status shall not apply to summary data, by course, for the common "core" items contained in student course evaluations, which have been selected as such by the Board or the University and made available by the University to the public on a regular basis.

In addition, to the above, the following records shall also be maintained in the evaluation file but may not be used or considered in the evaluation process until final determinations are rendered or they are considered final pursuant to F.S. 1012.91 (effective 2017):

- 1) Records maintained for the purposes of any investigation of employee misconduct, including but not limited to a complaint against an employee, including anonymous complaints, and all information obtained pursuant to the investigation of such complaint.
- 2) Records maintained for the purposes of any disciplinary proceeding brought against an employee. The record of any disciplinary proceeding, including any evidence presented, shall be open to inspection by the employee and the employee's representative at all times.
- 3) Records maintained for the purposes of any grievance proceeding brought by an employee for enforcement of a collective bargaining agreement or contract.
- 4) Final determinations in such cases as referenced above, shall remain in the Evaluation File. Only final determinations may be used in evaluations, discipline, or promotion and tenure considerations.

ARTICLE 12 NON-REAPPOINTMENT

12.1 No Property Right. No appointment shall create any right, interest, or expectancy in any other appointment beyond its specific terms, except as provided in Sections 13.2 and 15.1(f). Acceptance of a tenure-track appointment does not guarantee continued, or any set term of employment, or supersede employment separation policies.

12.2 Notice.

(a) A “semester” as used in this Article is defined as either a Fall, Spring, or Summer semester in which a summer assignment is offered and accepted. If a Summer semester constitutes all or part of the notice period, it shall be compensated as a Spring or Fall semester. All employees described below are entitled to written notice that they will not be offered further appointment. The provision of notice under this section does not provide rights to a summer appointment beyond those provided in Section 8.4(b).

- 1) Employees in their first year of University service who are on academic year (9 month) appointments shall receive notice of non-reappointment not later than March 1 of the academic year, if the appointment expires at the end of that academic year. Employees in their first year of continuous University service who are on twelve-month appointments shall receive at least twelve (12) weeks notice.
- 2) Employees in their second year of continuous University service who are on academic year (9 month) appointments shall receive one semester notice of non-reappointment. Employees in their second year of continuous University service who are on twelve-month appointments shall receive at least 19.5 weeks notice.
- 3) Employees with two (2) or more years of continuous University service who are on academic year (9 month) appointments shall receive two semester notice of non-reappointment. Employees with two (2) or more years of continuous University service who are on twelve-month appointments shall receive 39 weeks notice.
- 4) The University may choose to provide compensation in lieu of employing the employee during the notice period to the extent permitted by law.
- 5) Employees who are appointed to multi-year agreements shall receive notice in the penultimate year of their agreement if they will be offered a new appointment.
- 6) Employees who are on “soft money” (e.g., contracts and grants, sponsored research funds, auxiliary funds, and grants and donations trust funds), who had five (5) or more years of continuous University service shall receive a one-year notice, contingent upon funds being available.
- 7) FAUS employees will be notified of a subsequent annual appointment offer on or before May 1 prior to the expiration of their appointment.
- 8) FAU Instructors who have been employed at FAU for over three years on an annual appointment will be notified of a subsequent annual appointment offer on or before the expiration of that annual appointment.

(b) Senior Instructors and University Instructors (Positions 8860 and 8861) shall receive notice as set forth in 12.2(a)(3) above. All other employees in the following categories are not entitled to written notice that they will not be offered further appointment:

- 1) Employees who are on "soft money" (e.g., contracts and grants, sponsored research funds, auxiliary funds, and grants and donations trust funds), including all FAUS employees, except those described in Section 12.2(a)(6), above.
- 2) Employees who hold acting, OPS, or temporary appointments.
- 3) Employees who are appointed for less than one (1) academic year.
- 4) Employees who are appointed to a visiting appointment.
- 5) Employees with an offer letter or Notice of Appointment which states, in substance, that their employment will cease on the date indicated.
- 6) Employees with an offer letter for a specified fixed term appointment.

12.3 Terms and Conditions of Non-reappointment

- (a) The employee's current rate of pay shall remain unchanged through the end of the current period or the advance notice period, whichever is longer. The employee shall not receive any pay increases during the advance notice period.
- (b) The University's right to reassign the employee to other duties and responsibilities remains in effect during the non-reappointment period. The University's right to terminate the employee for just cause remains in effect during the advance notice period.
- (c) The University may offer an employee a letter of reappointment of a duration necessary to fulfill any advance notice requirement in this Agreement or other University rule.
- (d) The employee will no longer be eligible for tenure or promotion.
- (e) The decision to not reappoint is not grievable except, an employee who receives written notice of non-reappointment may, according to Article 20 Grievance Procedure and Arbitration, contest the decision because of an alleged violation of a specific term of the Agreement or because of an alleged violation of the employee's constitutional rights. Such grievances must be filed within thirty (30) days of receipt of the notice of non-reappointment.

- 12.4 Resignation. An employee who wishes to resign has the professional obligation, when possible, to provide the University with at least one semester's notice. Upon notice of resignation, all consideration for tenure and reappointment shall cease.

ARTICLE 13 LAYOFF

13.1

- (a) Implementation. A layoff may be implemented by the University at any time as a result of adverse financial circumstances; reallocation of resources; reorganization of degree or curriculum offerings or requirements; reorganization of academic or administrative structures, programs, or functions; or curtailment or abolition of one or more programs or functions. Non-reappointment may be utilized as an alternative to layoff for employees pursuant to Article 12. All employees are subject to layoff including, but not limited to, employees in phased retirement, employees who have received a notice of non-reappointment, and employees on a fixed-term appointment.
- (b) Layoff Unit. The layoff unit may be at an organizational level of the University such as a campus, division, college/unit, school, department/area/unit, or program, as the Provost deems appropriate.
- (c) Notice to UFF. The University shall provide general notice to UFF in writing that a layoff is to occur no less than thirty (30) days prior to sending layoff notice to employee(s). Such notice shall identify the layoff unit and the reason for the layoff. The University is not obligated to identify the employee(s) to be laid off. UFF may request a consultation with the President or representative pursuant to Sections 2.1 or 2.2 during this period to discuss the layoff. UFF may bargain over the impact of the layoff.

13.2 Layoff Considerations. The selection of employees in the layoff unit to be laid off will be determined as follows:

- (a) No tenured/multi-year/permanent status employee shall be laid off if there are non-tenured/non-permanent status employees or phased retirees in the layoff unit.
- (b) No employee in a non-tenured/non-permanent status position in the layoff unit with more than five (5) years of continuous University service or a phased retiree shall be laid off if there are any such employees with five (5) years or less of service.
- (c) Where employees are equally qualified under (a) or (b) above, those employees will be retained who, in the judgment of the University, will best contribute to the

mission and purpose of the institution. In making such judgment, the University shall carefully consider appropriate factors such as, but not limited to the employees' length of continuous service, performance evaluation by students, peers and supervisors, academic training, professional reputation, teaching effectiveness, record of scholarship and/or creative activity, and service to the profession, community and public.

(d) No tenured/multi-year/permanent status employee shall be laid off solely for the purpose of creating a vacancy to be filled by an administrator entering the bargaining unit.

(e) The University shall notify the UFF annually in writing regarding the use of adjunct and other non-unit faculty in the layoff unit for a period of two years following the layoff. The use of adjunct and other non-unit faculty in departments/units where employees have been laid off may be the subject of consultation meetings pursuant to Article 2.

13.3 Alternative/Equivalent Employment. The University shall make a reasonable effort to locate appropriate alternate or equivalent employment within the University for employees who received a notice of layoff before the layoff effective date. The affected employee shall notify his/her supervisor of any available or posted University position that they believe may constitute alternate/equivalent employment. If appropriate alternate/equivalent employment is offered in lieu of layoff and rejected, the employee shall receive no further consideration or benefits pursuant to this article.

13.4 Notice to Employees. Employees will be informed of layoff as soon as practicable. Nine-month faculty with three or more years of continuous University service shall be provided notice by September 15 for a termination date no earlier than the conclusion of the following spring semester. Other employees with three or more years of continuous University service shall, where circumstances permit, be provided at least nine (9) months' notice. Formal written notice of layoff is to be sent via certified mail, return receipt requested, or delivered in person to the employee. The notice shall include effective date of layoff; reason for layoff; and if applicable, a statement of recall rights.

13.5 Re-employment/Recall

(a) For a period of two years following the layoff effective date (or for employees appointed to a fixed multi-year appointment, not to exceed the length of their appointment), an individual who has been laid off and who was not otherwise offered alternate/equivalent employment shall be offered re-employment in the same or similar position at the University, should such an opportunity for re-employment arise. Any offer of re-employment pursuant to this section must be accepted within fifteen (15) days after the date of offer. In the event such offer of re-employment is not accepted, the individual shall receive no further

consideration pursuant to this Article. The University shall notify the UFF when an offer of re-employment is issued.

(b) An employee who held a tenured/permanent status appointment on the date of termination by reason of layoff shall resume the tenured/permanent status appointment upon recall, if permitted by law.

(c) The employee shall receive the same credit for years of service for purposes of layoff as held on the date of layoff.

(d) Employee Assistance Programs. Consistent with the University's Employee Assistance Program, employees participating in an employee assistance program who receive a notice of layoff may continue to participate in that program for a period of ninety (90) days following the layoff.

13.6 Limitations. The provisions of Sections 13.2 through 13.5 of this Agreement shall not apply to those employees: on soft money (as defined in Article 12), visiting/temporary appointments, and employees with appointments of less than one academic year.

13.7 FAUS Employees. Notwithstanding the above, any workforce reduction of FAUS employees shall be conducted in accordance with Florida law.

ARTICLE 14 PROMOTION PROCEDURE

14.1 Policy.

(a) Promotion decisions are not merely a totaling of an employee's annual performance evaluations but rather, the University's assessment through its faculty, professional employees, and administrators, of the employee's scholarly contribution as well as past meritorious performance of assigned duties.

(b) No promotion decision shall be based on an assessment that employs factors not identified in, or standards conflicting with, the established written criteria as clarified by the faculty member's college/unit.

(c) Upon annual written request beginning with the second year of employment, employees eligible for promotion shall receive a non-binding appraisal of their progress toward promotion. The appraisal, which shall be a separate component of the annual evaluation, is intended to help candidates qualify themselves for promotion. Upon written request of the employee an administrator at the next higher level, shall meet with the employee to discuss unresolved appraisal issues.

14.2 Criteria.

- (a) Promotion decisions shall be a result of the employee's scholarly contribution as well as past meritorious performance of assigned duties and shall be based upon established written criteria specified in writing by the Board or the University. Promotion to Associate Professor for existing employees must come contemporaneously with and is dependent upon an award of tenure.
- (b) Faculty who have part time administrative roles shall follow the established written criteria of the college/unit when applying for full professor. Performance will be evaluated per the established written criteria, per respective rank. These criteria recognize three broad categories of academic service as follows:
 - (1) Instruction, including regular classroom teaching, and other instructional activities;
 - (2) Research or other creative activities, including scholarly publications; and
 - (3) Professional, university, or public service.
- (c) The Board and the University may modify these criteria after notifying the UFF Chapter of the proposed changes and offering an opportunity to discuss them in consultation with the President or representative. Changes shall not become effective until one (1) year following adoption of the changes, unless mutually agreed to in writing. The date of adoption shall be the date on which the changes are approved by the administrator at the highest level required under applicable University policies and procedures. Any proposal to develop or modify promotion criteria shall be available for discussion by members of the affected college/unit before adoption. Each college/unit shall periodically review its criteria to ensure that they are consistent with the employees' assignments and the mission of the University and the academic unit. When new criteria are adopted and approved, faculty submitting an application for promotion within the subsequent three years may choose to be evaluated using the old or new criteria. Thereafter, only the new criteria will apply.
- (d) Each college/unit shall develop and maintain written criteria consistent with assigned duties and University standards.
- (e) A copy of the college/unit's promotion criteria and the annual promotion and tenure calendar shall be available on the college/unit website. Changes to promotion criteria must be approved by the Provost or designee, posted online, and accessible to faculty.
- (f) Limited Access Information. Promotion file records are limited-access records and shall be available for inspection only by the employee, the employee's representative, University and Board officials who use the information in carrying out their responsibilities, peer committees responsible for evaluating employee

performance, or by court order. Arbitrators or others engaged by the parties to resolve disputes may view the records upon consent by the employee whose file is requested, or by court order.

14.3 Procedures.

- (a) An employee shall normally be considered for promotion to Associate Professor during the sixth year of continuous service in a tenure-earning position including any prior service credit granted at the time of initial appointment. Promotion from Associate to Professor typically occurs no earlier than five years completed in the rank of Associate Professor. An eligible faculty member may initiate the process for promotion to Full Professor whenever the faculty member believes he/she has met the written criteria for promotion by notifying the department chair. Promotion to Full Professor involves the candidate's entire career. The candidate's record shall demonstrate significant additional achievement, as established by the written criteria, beyond that demonstrated at the time of promotion to Associate Professor. Years in rank and sustained productivity at FAU are particularly important.
- (b) Recommendations for promotion shall begin with the employee's supervisor and shall be submitted to the appropriate officials for review. Prior to the consideration of the employee's promotion, the employee shall have the right to review the contents of the promotion file and may attach a brief response to any material therein. It shall be the responsibility of the employee to see that the file is complete. The provisions of Sections 11.2 through 11.8 of this Agreement shall apply to the contents of the promotion file. If any material is added to the file after the commencement of consideration, a copy shall be sent to the employee within five (5) days (by personal delivery or by mail, return receipt requested, or via email). The employee may attach a brief response within five (5) days of his/her receipt of the added material. The file shall not be forwarded until either the employee submits a response, indicates there will be no response, or until the second five (5) day period expires, whichever occurs first.
- (c) Recommendations for promotion shall include a copy of applicable promotion criteria, the employee's annual assignments and annual evaluations, and, if the employee chooses, the employee's promotion appraisal(s). The reviewers at any stage in the review may request to view the appraisal(s).

- 14.4 Notice of Denial. Any employee who is denied promotion shall be notified in writing by the appropriate administrative official. The employee has twenty (20) days after notification to submit a written request for a statement of reasons and the University shall provide the employee with a written statement within twenty (20) days thereafter of the reasons why the employee did not meet the promotion criteria.

ARTICLE 15

TENURE

15.1 Tenure.

- (a) Tenure shall be in a department or other appropriate administrative unit.
- (b) No tenure decision shall be based on an assessment that employs factors not identified in, or standards conflicting with, the established written criteria as clarified by the faculty member's college/unit.
- (c) Eligibility. Associate Professors, Professors, and other employees that the Board may designate except Assistant Professors, shall be eligible for tenure. The Board shall notify the employee of the tenure-earning status at the time of initial appointment. Tenure shall not extend to administrative appointments in the General Faculty, FAUS employees, or Administrative, Managerial & Professional (AMP) classification plans.
- (d) Criteria.
 - (1) The performance of an employee during the entire term of tenure earning employment at FAU shall be considered in determining whether to grant tenure. The decision to award tenure to an employee shall be a result of the employee's meritorious performance and scholarly contribution and shall be based on established written criteria by the Board and the University. The decision shall take into account the annual assignments and annual performance evaluations; the needs of the college/unit, and University; the contributions of the employee to the employee's academic unit (program and college/unit); and the contributions the employee is expected to make to the institution.
 - (2) A tenure candidate's performance will be evaluated per the established written criteria. These criteria recognize three broad categories of academic service as follows:
 - a. Instruction, including regular classroom teaching, and other instructional activities;
 - b. Research or other creative activities, including scholarly publications; and
 - c. Professional, university, or public service
 - (3) Each employee shall be apprised in writing once each year of her or his progress toward tenure. The appraisal shall be included as a separate component of the annual evaluation and is intended to provide assistance and counseling to candidates to help them to qualify themselves for

tenure. The employee may request, in writing, a meeting with an administrator at the next higher level to discuss concerns regarding the tenure appraisal which were not resolved in previous discussions with the evaluator. The appraisals are not binding upon the University.

- (4) The Board and the University may modify the University-wide criteria for tenure only after notifying UFF of the proposed changes and offering an opportunity to discuss them in consultation with the University President or representative. Changes in criteria shall not become effective until one (1) year following adoption of the changes, unless mutually agreed to in writing. The date of adoption shall be the date on which the changes are approved by the administrator at the highest level required under applicable University policies and procedures. Any proposal to develop or modify tenure criteria shall be available for discussion by members of the affected college/unit before adoption. The provisions of Section 9.3 are applicable to the modified criteria. Each college/unit shall periodically review its criteria to ensure that they are consistent with the employees' assignments and the mission of the University and the academic unit. Further, an employee with at least three (3) years of tenure-earning credit as of the date on which the tenure criteria are adopted shall be evaluated for tenure under the criteria as they existed prior to modification unless the employee notified the University at least thirty (30) days prior to commencement of the tenure consideration that he/she chooses to be evaluated under the newly-adopted criteria.
- (5) Each college/unit shall develop and maintain written criteria consistent with assigned duties and University standards.
- (6) A copy of the college/unit's tenure criteria and the annual promotion and tenure calendar shall be available on the college/unit website. Changes to tenure criteria must be approved by the Provost or designee, posted online, and accessible to faculty.

(e) Procedures.

- (1) An employee shall normally be considered for tenure during the sixth year of continuous service in a tenure-earning position including any prior service credit granted at the time of initial employment. Part-time service of at least one semester in any twelve month period shall be accumulated so that two semesters of half-time service, for example, shall be considered one-half year of service. Authorized leaves of absence may, under the provisions of Article 17, Leaves, be credited toward the period of tenure-earning service.
- (2) An employee credited with tenure-earning service at the time of initial appointment may withdraw once all or a portion of such credit prior to

formal application for tenure to the department upon the written request of the employee, recommendation of the supervisor and dean/director, and approval of the Provost or designee.

- (3) Stopping the Clock. The tenure clock may be stopped for medical or related reasons for up to two years upon the written request of the employee, recommendation of the supervisor and dean/director, and approval of the Provost or designee.
- (4) Early Tenure. The decision to submit a portfolio for tenure earlier than the sixth year must be initiated by the candidate, in consultation with the chair/director and senior faculty (professors and associate professors), and approved by the dean. An employee being considered for tenure prior to the sixth year may withdraw from consideration on or before December 30 without prejudice.
- (5) By the end of six (6) years of tenure-earning service at the University (including tenure credit granted upon hire), an employee who has applied for tenure shall either be awarded tenure by the Board or given notice that further employment will not be offered. If an employee fails to apply for tenure before or during the sixth year of tenure-earning service (including tenure credit granted upon hire), the employee's employment will terminate at the end of the seventh year of service. If an employee applies for tenure prior to the sixth year, the year following the second tenure application shall be the terminal year if tenure is not achieved. No employee may be considered for tenure more than twice. In the event that the employee is allowed a second tenure application and is unsuccessful, the employee will not be allowed or entitled to further employment. An employee has 20 days from receipt of notice that tenure was not achieved to submit a written request for the reasons why tenure was not granted, and the President or representative shall provide the employee with a written statement of the reasons within 20 days of the receipt of the request.
- (6) Recommendations. The Department Chair/School Director shall submit the names of candidates for tenure to the tenured faculty of the Department/School who shall be polled by secret ballot for their recommendation about each candidate eligible for tenure. The recommendation shall be forwarded to the Department Chair/School Director who shall write a recommendation to the Dean. Recommendations shall include a copy of applicable tenure criteria; the employee's annual assignments and annual evaluations; the vote of the tenured faculty; and, if the employee chooses, the employee's tenure appraisals. At any stage, reviewers may request to review the appraisals.

- (7) File. The employee has the right to review the contents of the tenure file and attach a brief response to any materials in the file prior to consideration of his or her candidacy. It is the employee's responsibility to see that the file is complete. The provisions of Sections 11.2 through 11.8 of this Agreement shall apply to the contents of the tenure file. If any material is added to the file after the commencement of consideration, a copy shall be sent to the employee within five (5) days (by personal delivery or by mail, return receipt requested, or via email). The employee may attach a brief response within five (5) days of his/her receipt of the added material. The file shall not be forwarded until either the employee submits a response, indicates there will be no response, or until the second five (5) day period expires, whichever occurs first. The only documents which may be considered in making a tenure recommendation are those contained or referenced in the tenure file.
- (8) Tenure upon Appointment. Tenure may be granted to an employee by the President at the time of initial appointment, upon recommendation by the Provost or designee. The Provost or designee shall consider the recommendation of the department or equivalent unit prior to making his/her final tenure recommendation.
- (9) Only the President may award tenure.
- (f) A tenured employee who is transferred as a result of a reorganization or program curtailment within the University, and is employed in the same or similar discipline in which tenure was granted, shall have his or her tenure transferred to the new department. Tenured faculty who assume administrative appointments shall retain tenure in their department/unit.
- (g) Termination/Layoff. Tenure status guarantees annual reappointment for the academic year until voluntary resignation, retirement, removal for just cause in accordance with the provisions of Article 16, or layoff in accordance with the provisions of Article 13, but does not extend to administrative appointments.
- 15.2. Permanent Status for FAUS Employees. Permanent status for FAUS employees will be in accordance with Florida statutes.
- 15.3 Leave. Under the provisions of Article 17.5, authorized leaves of absence shall not be credited for determining eligibility for tenure except by mutual agreement of the employee and the University.
- 15.4 Limited Access Information. Tenure/Permanent Status file materials are limited-access records and shall be available for inspection only by the employee, the employee's representative, University and Board officials who use the information in carrying out their responsibilities, peer committees responsible for evaluating employee performance, or by court order. Arbitrators or others engaged by the

parties to resolve disputes may view the records upon consent by the employee whose file is requested.

ARTICLE 16 DISCIPLINARY ACTION AND JOB ABANDONMENT

16.1 Just Cause.

(a) The purpose of this article is to provide a prompt and equitable procedure for disciplinary action taken with just cause. Just cause shall be defined as:

(1) incompetence, or

(2) misconduct.

(b) An employee's activities which fall outside the scope of employment shall constitute misconduct only if such activities adversely affect the legitimate interests of the University.

16.2 Progressive Discipline. Both parties endorse the principle of progressive discipline as applied to professionals. In all cases, the discipline selected for a particular offense must be appropriate to the nature and circumstances of the case.

16.3 Notice of Proposed Discipline. When the President or representative has reason to believe that a suspension or termination should be imposed, the President or representative shall provide the employee with a written notice of the proposed disciplinary action and the reasons therefore. Such notice shall be sent certified mail, return receipt requested, or delivered in person. The employee shall be given ten (10) days in which to respond in writing to the President or representative before the proposed action is taken. The President or representative then may issue a notice of disciplinary action under Section 16.4. The employee has a right to union representation during investigatory questioning that may reasonably be expected to result in disciplinary action. If the President or representative does not issue a notice of disciplinary action, the notice of proposed disciplinary action shall not be retained in the employee's evaluation file, as permitted by law.

16.4 Notice of Disciplinary Action. All notices of disciplinary action shall include a statement of the reasons therefore and a statement advising the employee that the action is subject to Article 20, Grievance Procedure. All such notices shall be sent certified mail, return receipt requested, or delivered in person to the employee.

16.5 Termination. A tenured or permanent status appointment or any appointment of

definite duration may be terminated during its term for just cause. An employee shall be given written notice of termination in advance of the effective date of such termination. If a grievance is timely filed, the effective date of termination shall be deferred pending the completion of the grievance process, except in cases where the President or representative determines that an employee's actions adversely affect the functioning of the University or jeopardize the safety or welfare of the employee, colleagues, or students.

- 16.6. Disciplinary Action Other than Termination. The University, retains its rights to impose disciplinary action other than termination for just cause including, but not limited to, suspension with or without pay. Counseling, including recommendations for participation in an Employee Assistance Program, shall not be considered disciplinary action.
- 16.7 FAUS. If an FAUS employee is charged with a crime that impacts upon his/her effectiveness as a teacher, he/she will be suspended with pay until the conclusion of an internal investigation. At the conclusion of the investigation, the employee will be restored to employment status, suspended without pay, or terminated.
- 16.8 Job Abandonment.
- (a) An employee absent without authorized leave either i) for seven (7) or more consecutive calendar days; or ii) for five (5) or more consecutive classes over a 5 or more calendar day period, shall be considered to have abandoned the position and voluntarily resigned from the University, unless the absence is for reasons beyond the control of the employee and the employee notifies the University as soon as practicable.
- 16.9 Employee Assistance Program. Neither the fact of an employee's participation in an employee assistance program, nor information generated by participation in the program, shall be used as a reason for discipline under this Article, except for information relating to an employee's failure to participate in an employee assistance program consistent with the terms to which the employee and the University have agreed.
- 16.10 Investigation. Notwithstanding the provisions of Article 10, whenever the University receives information that a faculty member is engaging in misconduct or behavior in the classroom which could create potential liability to the University, and in order to protect the interests of both the University and the faculty member, a chair/supervisor or other University representative may conduct unannounced observation/visitation of that faculty member's classroom for the purpose of investigating the allegations.

ARTICLE 17

LEAVES

17.1 Requests for a Leave or Extension of Leave of One (1) Semester or More.

The employer contribution to the State insurance program will continue for the corresponding payroll periods.
- 17.5 Tenure Credit During Periods of Leave. Semester(s) during which an employee is on compensated or uncompensated leave shall not be creditable for the purpose of determining eligibility for tenure, except by mutual agreement of the employee and the University. In deciding whether to credit such leave toward tenure eligibility, the Provost or designee shall consider the duration of the leave, the relevance of the employee's activities while on such leave to the employee's professional development and to the employee's field of employment, the benefits, if any, which accrue to the University by virtue of placing the employee on such leave, and other appropriate factors.
- 17.6 Holidays.

 - (2) At the end of the approved parental leave and at the employee's request, the Provost or designee shall grant part-time leave without pay for a period not to exceed one (1) year, unless the Provost or designee determines that granting such leave would be inconsistent with the best interests of the University.
 - (3) Any illness caused or contributed to by pregnancy shall be treated as a temporary disability if requested, and in accordance with the STD and LTD plan provisions.
- (e) Intermittent FMLA leave or a reduced work schedule may be approved as permitted by law.

The faculty member must agree in writing in advance to return to University employment for at least one (1) regular (Fall or Spring) semester following utilization of paid parental leave (the "required semester"). A faculty member who for any reason fails to return to work as promised and/or remains employed full-time for the entire required semester will be responsible for repayment of all salary received

If the Triggering Event occurs in the summer, leave may be taken in the Fall or Spring of the next academic year. If 3 or more faculty members from a single department/unit request parental leave during the same semester, every reasonable effort shall be made to accommodate all the requests. If the faculty members and the department Chair are unable to reach a mutual agreement on the distribution of leaves, the issue would go to the college Dean for resolution. No employee will be denied paid parental leave due to multiple requests.

- a. A full-time employee shall accrue four (4) hours of sick leave for each biweekly pay period, or the number of hours that are directly proportionate to the number of days worked during less than a full-pay period, without limitation as to the total number of hours that may be accrued.
- b. A part-time employee shall accrue sick leave at a rate directly proportionate to the percent of time employed.
- c. An employee appointed as Temporary or under Other Personal Services (OPS) funding shall not accrue sick leave.

use sick leave in 4 hour increments.

b. Sick leave shall be authorized for the following:

1. The employee's personal illness or exposure to a contagious disease which would endanger others.
2. The employee's personal appointments with a health care provider.
3. The illness or injury of a member of the employee's immediate family, in consultation with the supervisor. Approval of requests for use of reasonable amounts of sick leave for caring for a member of the employee's immediate family shall not be unreasonably withheld.
4. The death of a member of the employee's immediate family, in consultation with the supervisor. Approval of requests for use of reasonable amounts of sick leave for the death of a member of the employee's family shall not be unreasonably withheld consistent with the FMLA.

c. A continuous period of sick leave commences with the first day of absence and includes all subsequent days until the employee returns to work. For this purpose, Saturdays, Sundays, and official holidays observed by the State shall not be counted unless the employee is scheduled to perform services on such days. During any seven (7) day period, the maximum number of days of sick leave charged against any employee shall be five (5).

d. An employee who requires the use of sick leave should notify the supervisor as soon as practicable.

e. An employee who becomes eligible for the use of sick leave while on approved annual leave shall, upon notifying the supervisor, substitute the use of accrued sick leave to cover such circumstances.

f. An employee may use any type of accrued leave (sick or annual) in an amount necessary to cover the employee's contribution to the State insurance program and other expenses incurred by the employee during an approved period of leave without pay for parental, foster care, medical, or military reasons.

(3) Certification. If an employee's request for absence or absence exceeds four (4) consecutive days, or if a pattern of absence is documented, the University may require an employee to furnish

certification issued by an attending health care provider of the medical reasons necessitating the absence and/or the employee's ability to return to work. If the medical certification furnished by the employee is not acceptable, the employee may be required to submit to a medical examination by a health care provider who is not a University staff member which shall be paid for by the University. If the medical certification indicates that the employee is unable to perform assigned duties, the Provost or designee may place the employee on compulsory leave under the conditions set forth in Section 17.10(c).

- (4) An employee on an approved sick leave may not be employed elsewhere without express permission of the Provost or designee.
- (5) Transfer of Credits. Sick leave accrual will be based on continuous service to FAU only. Employees hired at FAU with no break in service from another Florida public University, may bring accrued sick leave to FAU, up to a maximum of 40 hours. Service at another public University will not count as years served for accrual or payout purposes. If the transfer of leave is a recruitment issue, the maximum amount of hours may be waived by the President.
- (6) Payment for Unused Sick Leave. No payment for unused sick leave will be made for any type of separation from employment for any faculty employee (except FAUS) hired after June 1, 2010. For other employees (including FAUS), the following shall apply:
 - a. An employee with less than ten (10) years of service who separates from FAU shall not be paid for any unused sick leave. An employee who has been found guilty of, or admitted to, committing, aiding, or abetting any embezzlement, theft, or bribery in connection with State government or the University shall not be paid for any unused sick leave. An employee who has been found guilty by a court of having violated any State labor law regarding strikes by public employees shall not be paid for any unused sick leave. An employee who separates from FAU because of termination for cause, resignation in lieu of termination, or job abandonment shall not be paid for any unused sick leave.
 - b. Unless not eligible for payout as specified above, an employee who has completed ten (10) or more years of service and separates from the University shall be compensated at the employee's current regular hourly rate of pay for one-eighth of all unused sick leave accrued prior to October 1, 1973, plus one-fourth of all unused sick leave accrued on or after October

1, 1973; provided that one-fourth of the unused sick leave since 1973 does not exceed 480 hours.

- c. Upon layoff, an employee with ten (10) or more years of FAU service shall be paid for unused sick leave as described in paragraph b., above, unless the employee requests in writing that unused sick leave be retained pending re-employment. For an employee who is re-employed by the University within twelve (12) calendar months following layoff, all unused sick leave shall be restored to the employee, provided the employee requests such action in writing and repays the full amount of any lump sum leave payments received at the time of layoff. An employee who is not re-employed within twelve (12) calendar months following layoff shall be paid for sick leave in accordance with this Section.
- d. All payments for unused sick leave shall be made in lump sum and shall not be used in determining the average final compensation of an employee in any State administered retirement system. An employee shall not be carried on the payroll beyond the last official day of employment, except that an employee who is unable to perform duties because of a disability may be continued on the payroll until all sick leave is exhausted.
- e. If an employee has received a lump sum payment for accrued sick leave, the employee may elect in writing, upon re-employment within 100 days, to restore the employee's accrued sick leave. Restoration will be effective upon the repayment of the full lump sum leave payment.
- f. In the event of the death of an employee, payment for unused sick leave at the time of death shall be made to the employee's beneficiary, estate, or as provided by law.

(b) Job-Related Illness/injury.

- (1) Workers' Compensation benefits shall apply to an employee who sustains a job-related illness/injury in accordance with state law and University policy.
- (2) The Provost or designee should advise an employee unable to return to work due to a job-related illness/injury of the Florida Retirement System's disability provisions and application process.

(c) Compulsory Leave.

(1) Placing Employee on Compulsory Leave.

- a. If an employee is unable to perform assigned duties due to illness/injury or poses a health risk, the Provost or designee may require the employee to submit to an examination, by a licensed health care provider chosen and paid by the University, or by a licensed health care provider chosen and paid by the employee, who is acceptable to the Provost or designee. Such health care provider shall submit the appropriate opinion to the University. This opinion shall indicate whether the employee is able to work, is unable to work, or is able to work with restrictions. The restrictions recommended by the licensed health care provider may include behavioral adjustments that enable the employee to perform duties including but not limited to contributing to the safe, orderly and effective functioning of the University.
- b. If the University agrees to accept the employee's choice of a health care provider, the University may not then require another University-paid examination.
- c. If the medical examination confirms that the employee is unable to perform assigned duties, the Provost or designee shall place the employee on compulsory leave.

(2) Conditions of Compulsory Leave.

- a. Written notification to the employee placing the employee on compulsory leave shall include the duration of the compulsory leave period and the conditions under which the employee may return to work. These conditions may include the requirement of the successful completion of, or participation in, a program of rehabilitation or treatment, and follow-up medical certification(s) by the health care provider, as appropriate.
- b. The compulsory leave period may be leave with pay or leave without pay. If the compulsory leave combines the use of accrued leave with leave without pay, the use of such leave shall be in accordance with Section 17.2.
- c. If the employee fulfills the terms and conditions of the compulsory leave and receives a current medical certification that the employee is able to perform assigned duties, the Provost or designee shall return the employee to the employee's previous duties, if possible, or to equivalent duties.

- (3) Duration. Compulsory leave, with or without pay, shall be for a period not to exceed the duration of the illness/injury or one year, whichever is less.
- (4) Failure to Complete Conditions of Compulsory Leave or Inability to Return to Work. If the employee fails to fulfill the terms and conditions of a compulsory leave and/or is unable to return to work and perform assigned duties at the end of a leave period, the Provost or designee should advise the employee, as appropriate, of the Florida Retirement System's disability provisions and application process, and may, based upon the University's needs:
 - a. offer the employee part-time employment;
 - b. place the employee in leave without pay status in accordance with Section 17.2 or extend such status;

An employee is bound to observe, in all official acts, all applicable federal and state laws, including the State Code of Ethics (Chapter 112, Part III, Florida Statutes) and Board and University regulations and policies provided such policies do not conflict with the express terms of this Agreement. An employee's Outside Activity (defined below) must not conflict with the employee's obligations to the University.

Nothing in this Article is intended to discourage an employee from engaging in outside activity in order to increase the employee's professional reputation, service to the community, or income, subject to the conditions stated herein. Nothing in this Article is intended to interfere with an employee's exercise of their conscience, academic freedom, and free speech.

19.2 Definitions.

- (3) Such disclosure is required by University regulation or policy (provided such policies do not conflict with the express terms of this Agreement), or state or federal law.
- (d) “Conflict of Commitment” involves an individual’s distribution of effort between a University appointment, obligation, and commitment and Outside Activities. 19.3 Reporting Outside Activity and Financial Interests.

- (a) All FAU faculty possessing at least a 0.5 appointment at the University, and any faculty engaged in the design, conduct, or reporting of research regardless of FTE, full-time, or part-time status are required to complete an outside activity form directed by the University on or before September 30 of each year (or within thirty (30) days of the commencement of employment with FAU if this occurs after September 30). If a faculty member has no information to disclose, a report must still be completed. Separate disclosures are also required for all sponsored projects. An employee who engages in outside activity shall provide his or her supervisor a detailed written description of the activity. The report shall include where applicable, the name of the employer or other recipient of services; the funding source; the location where such activity shall be performed; the nature and extent of the activity; any intended use of University facilities, equipment, or services; financial interests of immediate relatives if there is a relationship of such interest with the faculty member’s University responsibilities; and any other information the University requires to make an assessment. A new report shall be submitted for outside activity previously reported each year for outside activity of a continuing nature and whenever there is a significant change in an activity (nature, extent, funding, etc.). All outside activity, including teaching and research activities occurring when the employee is on contract, on leave, or has no active appointment (inclusive of summer or other off periods for 9-month appointments) must be reported. As specified in Article 5.3(d), an employee engaging in outside activity shall indicate that he/she is not an institutional representative unless specifically authorized as such, with the understanding that mere identification as an FAU employee or by an FAU title or rank shall not be construed as such a representation. The employee will take reasonable precautions to ensure that the outside employer or other recipient of services understands that the employee is engaging in such outside activity as a private citizen and not as an employee, agent, or spokesperson of the University.

ARTICLE 20 GRIEVANCE AND ARBITRATION PROCEDURE

- 20.1 Policy/Informal Resolution. The parties agree that all problems should be resolved, whenever possible, before the filing of a grievance but within the time limits for filing grievances stated elsewhere in this Article and encourage open communications between administrators and employees so that resorting to the formal grievance procedure will not normally be necessary. The parties further encourage the informal resolution of grievances whenever possible. At each step in the grievance process, participants are encouraged to pursue appropriate modes of conflict resolution including the use of mediation. The purpose of this Article is to promote a prompt and efficient procedure for the investigation and resolution of grievances. The procedures hereinafter set forth shall be the sole and exclusive method for resolving the grievances of employees as defined in

this Article.

20.2 Resort to Other Procedures. It is the intent of the parties to first provide a reasonable opportunity for resolution of a dispute through the grievance procedure and arbitration process. Except as noted below, if prior to seeking resolution of a dispute by filing an Article 20 grievance or while the grievance proceeding is in progress, an employee requests, in writing, resolution of the matter in any other forum, whether administrative or judicial, the Board or the University shall have no obligation to entertain or proceed further with the matter pursuant to this grievance procedure. As an exception to this provision, a grievant may file an EEOC charge while the grievance is in progress when such filing becomes necessary to meet federal filing deadlines pursuant to 42 U.S.C. § 2000e et seq. Further, since the parties do not intend that this grievance procedure be a device for appellate review, the President's or designee's response to a recommendation of a hearing officer or other individual or group having appropriate jurisdiction in any other procedure shall not be an act or omission giving rise to a grievance under this procedure.

20.3 Definitions and Forms. As used in this Article:

- (a) The term "grievance" shall mean a dispute filed on a form referenced in Section 20.3(c) concerning the interpretation or application of a specific term or provision of this Agreement, subject to those exclusions appearing in other Articles of this Agreement.
- (b) The term "grievant" shall mean an employee or group of employees who has/have filed a grievance in a dispute over a provision of this Agreement which confers rights upon the employee(s). In accordance with state law, the UFF may file a chapter grievance. In order to process a chapter grievance submitted on behalf of a group of employees, the grievance must identify the group with sufficient specificity to allow the University to identify the individual members. A chapter grievance shall identify the specific remedy sought for the members.
- (c) A chapter grievance or a grievance of a decision made by the President or Provost may be initiated at Step 2. The parties may agree to consolidate grievances of a similar nature to expedite the review process.
- (d) Grievance Forms. Each grievance, request for review, and notice of arbitration must be submitted in writing on the appropriate form attached to this Agreement as Appendix "C", "D", or "E", respectively, and shall be signed by the grievant. All grievance forms shall be dated and assigned an identifying number by the Provost's office when the grievance is received. If there is difficulty in meeting any time limit, the UFF representative may sign such documents for the grievant; however, grievant's signature shall be provided prior to the Step 1 meeting or Step 2 review if filed directly at Step 2. All grievance forms may be filed by means of email, fax, United States mail, personal delivery, or any other

recognized means of delivery, and must contain the identifying grievance number once assigned.

- 20.4 Burden of Proof. The burden of proof shall be on the University only in disciplinary grievances in accordance with Article 16, and grievances limited to the issue of the length or lack of notice identified in Article 13.4 based on the “where circumstances permit” clause. In all other grievances, the burden of proof shall be on the employee.
- 20.5 Representation. UFF shall have the exclusive right to represent any employee in an Article 20 grievance unless an employee elects self-representation or to be represented by legal counsel. If an employee elects not to be represented by UFF, the University shall promptly inform UFF in writing of the grievance. No resolution of any individually processed grievance shall be inconsistent with the terms of this Agreement and for this purpose UFF shall have the right to have an observer present at all meetings called for the purpose of discussing such grievance and shall be sent copies of all decisions at the same time as they are sent to the other parties.
- 20.6 Grievance Representatives. UFF shall annually furnish to the University a list of all persons authorized to act as grievance representatives and shall update the list as needed. The UFF grievance representative shall have the responsibility to meet all classes, office hours, and other duties and responsibilities incidental to the assigned workload. Some of these activities are scheduled to be performed at particular times. Such representative shall have the right during times outside of those hours scheduled for these activities to investigate, consult, and prepare grievance presentations and attend grievance hearings and meetings. Should any hearings or meetings with the Unit Head, Provost, or their designees necessitate rescheduling of assigned duties, the representative may, with the approval of the appropriate administrator, arrange for the rescheduling of such duties or their coverage by colleagues. Such approval shall not be unreasonably withheld.
- 20.7 Appearances.
- (a) When an employee participates during working hours in an arbitration proceeding or in a grievance meeting between the grievant or representative and the University, that employee's compensation shall neither be reduced nor increased for time spent in those activities.
- (b) Prior to participation in any such proceedings, conferences, or meetings, the employee shall make arrangements acceptable to the appropriate supervisor for the performance of the employee's duties. Approval of such arrangements shall not be unreasonably withheld. Time spent in such activities outside regular working hours shall not be counted as time worked.

20.8 Formal Grievance Procedure.

(a) Filing.

(1) A grievance shall be filed (Appendix "C") with the Unit Head, defined as Dean, Principal/Director of FAUS, and Dean of Students for this article, or his/her representative at Step 1. Or in the case of a grievance initiated at Step 2, it shall be filed with the Provost or designee. In all cases, a grievance must be filed within thirty (30) days following the act or omission being grieved, or the date on which the employee knew or reasonably should have known of such act or omission if that date is later. Thirty days shall be determined by a receipt executed by the office receiving the grievance, by the date of the receipt of the email, or by the date of mailing as determined by the postmark. The grievant may amend the filed grievance one time within the thirty-day filing time period, either prior to the Step 1 meeting for all grievances filed at Step 1, or prior to the Step 2 review for all grievances filed directly at Step 2.

(2) This grievance procedure shall be the sole review mechanism for resolving disputes regarding rights or benefits which are provided exclusively by this Agreement. Only those acts or omissions and sections of the Agreement identified at the initial filing may be considered at subsequent steps.

(b) Time Limits. All time limits contained in this Article may be extended by mutual agreement of the parties, except that the time limits for the initial filing of a grievance may be extended only by agreement between the University and the UFF. Upon failure of the University to provide a decision within the time limits provided in this Article or as extended by agreement, the grievant or the UFF, where appropriate, may appeal to the next step. Upon the failure of the grievant or the UFF, where appropriate, to file an appeal within the time limits provided in this Article or as extended by agreement, the grievance shall be deemed to have been resolved by the decision at the prior step or withdrawn.

(c) Postponement.

(1) The grievant may, in the timely-filed written grievance at Step 1, request the postponement of any action in processing the grievance formally for a period of up to thirty (30) days, during which period efforts to resolve the grievance informally shall be made. The initial such request shall be granted. Upon the grievant's written request, additional extensions should be granted unless to do so would impede resolution of the grievance upon mutual agreement. Upon request, the Unit Head or his/her representative shall, during the postponement period(s), arrange an informal meeting between the appropriate administrator and the grievant. The grievant shall have the right to representation by the UFF during attempts at

informal resolution of the grievance. The grievant may, at any time, terminate the postponement period by giving written notice to the Unit Head or his/her representative that the grievant wishes to proceed with the Step 1 meeting. If the postponement period, or any mutually agreed to extension thereof, expires without such written notice, the grievance shall be deemed informally resolved to the grievant's satisfaction and need not be processed further.

- (2) In the case of a grievance filed pursuant to the Expedited Grievance Procedure referenced in Section 20.15, the postponement period for informal resolution shall be no more than seven (7) days unless the employee and the University agree otherwise.

(d) Step 1.

- (1) Meeting. The Unit Head or his/her representative and the grievant and the grievant's representative shall meet within ten (10) days following (a) receipt of the grievance if no postponement is requested, or (b) receipt of written notice that the grievant wishes to proceed with a Step 1 meeting. At the Step 1 meeting, the grievant shall have the right to present any evidence in support of the grievance, and the grievant and/or the UFF representative or the grievant's legal counsel (if selected pursuant to Section 20.5), and the Unit Head or his/her representative, shall discuss the grievance.
- (2) Decision. The Unit Head or his/her representative shall issue a written decision, stating the reasons therefore, to grievant's Step 1 representative within seven (7) days following the conclusion of the meeting. Seven days shall be determined by a receipt executed by the office receiving the grievance, or by the date of mailing as determined by the postmark or email. In the absence of an agreement to extend the period for issuing the Step 1 decision, the grievant may proceed to Step 2 if the grievant's Step 1 representative has not received the written decision by the end of the 10th day following the conclusion of the Step 1 meeting. A copy of the decision shall be sent to the grievant and to the UFF grievance representative if the grievant elected self-representation or representation by legal counsel.
- (3) Documents. Where practicable, the Step 1 reviewer shall make available to the grievant, or grievance representative, documentation referenced in the Step 1 decision prior to its issuance. All documents referred to in the decision and any additional documents presented by the grievant shall be attached to the decision, together with a list of these documents. The grievant shall have the right, upon written request, to receive a copy of any identifiable documents relevant to the grievance prior to the Step 1 meeting.

(e) Step 2.

- (1) Review. If the grievance is not satisfactorily resolved at Step 1, the grievant may file a written request for review (Appendix "D") with the Provost or designee within twenty (20) days following receipt of the Step 1 decision by grievant's Step 1 representative. Twenty days shall be determined by a receipt executed by the office receiving the grievance, or by the date of mailing as determined by the postmark or email.
- (2) Meeting. The Provost or designee and the grievant and the grievant's representative shall meet no later than seven (7) days following receipt of written notice of request for a Step 2 review. At the Step 2 meeting, the grievant shall have the right to present any evidence in support of the grievance, and the grievant and/or the UFF representative or the grievant's legal counsel (if selected pursuant to section 20.5), and the Provost or designee shall discuss the grievance
- (3) Decision. The Provost or designee shall issue a written decision, stating the reasons for the decision to grievant's Step 2 representative within five (5) days following the conclusion of the review meeting. Five days shall be determined by a receipt executed by the office receiving the grievance, or by the date of mailing as determined by the postmark or email. In the absence of an agreement to extend the period for issuing the Step 2 decision, UFF may proceed to Step 3 if the grievant's Step 2 representative has not received the written decision by the end of the 10th day following the conclusion of the Step 2 meeting. A copy of the decision shall be sent to the grievant and to UFF if the grievant elected self-representation or representation by legal counsel.

(f) Step 3 Arbitration.

- (1) Filing. If the grievance has not been satisfactorily resolved at Step 2, UFF may proceed to arbitration by filing a written notice of the intent to do so (Appendix "E"). Notice of intent to proceed to arbitration must be filed with the Provost's office within thirty (30) days after receipt of the Step 2 decision by grievant's Step 2 representative. Thirty (30) days shall be determined by a receipt executed by the Provost's office, or by the date of mailing as determined by the postmark or email. The grievance may be withdrawn at any time by UFF at any point during Step 3. The parties shall stipulate to the issue(s) prior to the arbitration. In the event a stipulation is not reached, the arbitrator shall determine the issue.
- (2) Selection of Arbitrator.

- a. Once a grievance is escalated to Arbitration, the parties may confer to mutually agree on an arbitrator. Otherwise, the moving party shall file a request with the American Arbitration Association (AAA) or the Federal Mediation and Conciliation Service (FMCS), for a panel of arbitrators. The arbitration shall proceed according to the rules of the AAA, or FMCS, in all respects not inconsistent with this Agreement. In the event the parties select an arbitrator through striking of names, the party striking first shall be determined by a coin flip.
- b. Within fourteen (14) days after receipt of a notice of intent to arbitrate, representatives of the Board and the UFF shall meet for the purpose of selecting an arbitrator. Selection shall be by mutual agreement or by alternately striking names from the Panel until one name remains. The right of the first choice to strike from the list shall be determined by the flip of a coin. The arbitration shall be held within sixty (60) days following the selection of the arbitrator.

(3) Authority of the Arbitrator.

- a. The arbitrator shall neither add to, subtract from, modify, or alter the terms or provisions of this Agreement. Arbitration shall be confined solely to the application and/or interpretation of this Agreement and the precise issue(s) submitted for arbitration. The arbitrator shall refrain from issuing any statements of opinion or conclusions not essential to the determination of the issues submitted.
- b. Where an administrator has made a judgment involving the exercise of discretion, such as decisions regarding tenure or promotion, the arbitrator shall not substitute the arbitrator's or another's judgment for that of the administrator. Nor shall the arbitrator review such decision involving the exercise of discretion except for the purpose of determining if there has been a violation of a procedural requirement of this Agreement.
- c. If the arbitrator determines that the Agreement has been violated, the arbitrator shall direct the University to take appropriate action subject to the limitations herein. An arbitrator may award back salary where the arbitrator determines that the employee is not receiving the appropriate salary from the University, but the arbitrator may not award other monetary damages or penalties. An arbitrator does not have the authority to grant tenure or promotion. If notice that further employment will not be offered is not given on time, the arbitrator may direct the University to renew the appointment only upon a finding that no other remedy is adequate,

and that the notice was given so late that (a) the employee was deprived of reasonable opportunity to seek other employment, or (b) the employee actually rejected an offer of comparable employment which the employee otherwise would have accepted.

- d. An arbitrator's decision awarding employment beyond the sixth year shall not entitle the employee to promotion or tenure. In such cases the employee shall serve during the seventh year without further right to employment or to notice that the employee will not be offered employment thereafter. If an employee is reappointed at the direction of an arbitrator, the Provost or designee may reassign the employee during such reappointment.

(4) Conduct of Hearing. The arbitrator shall hold the hearing in the city where the grievant is employed, unless otherwise agreed by the parties. The hearing shall commence within twenty-five (25) days of the arbitrator's acceptance of selection, or as soon thereafter as is practicable, and the arbitrator shall issue the decision within forty-five (45) days of the close of the hearing or the submission of briefs, whichever is later, unless additional time is agreed to by the parties. The decision shall be in writing and shall set forth findings of fact, reasoning, and conclusions on the issues submitted. Except as expressly specified in this Article, the provisions of the Florida Arbitration Code, Chapter 682, Florida Statutes, shall not apply. Except as modified by the provisions of this Agreement, arbitration proceedings shall be conducted in accordance with the current Labor Arbitration Rules of the American Arbitration Association or the FMCS.

(5) Effect of Decision. The decision or award of the arbitrator shall be final and binding upon the Board, the University, the UFF, and the grievant, provided that either party may appeal to an appropriate court of law a decision that was rendered by the arbitrator acting outside of or beyond the arbitrator's jurisdiction, pursuant to the Florida Arbitration Code as defined by law.

(6) Venue. For purposes of venue in any judicial review of an arbitrator's decision issued under this agreement, the parties agree that such an appeal shall be filed in the courts in Palm Beach County, Florida, unless both parties specifically agree otherwise in a particular instance. In an action commenced in Palm Beach County, neither the Board nor the UFF will move for a change of venue based upon the defendant's residence in fact if other than Palm Beach County.

(7) Fees and Expenses. All fees and expenses of the arbitrator shall be divided equally between the parties. Fees and expenses charged by an

arbitrator for cancelation after withdrawal is the responsibility of the withdrawing party. Each party shall bear the cost of preparing and presenting its own case including payment of expenses and compensation for its own representatives, attorneys, and witnesses. The party desiring a transcript of the arbitration proceedings shall provide written notice to the other party of its intention to have a transcript of the arbitration made at least one week prior to the date of the arbitration. The party desiring such transcript shall be responsible for scheduling a stenotype reporter to record the proceedings. The party originally requesting a transcript of the proceedings shall pay for any appearance fee of the stenotype reporter.

(8) Retroactivity. An arbitrator's award may or may not be retroactive as the equities of each case may demand, but in no case shall an award be retroactive to a date earlier than thirty (30) days prior to the date the grievance was initially filed in accordance with this Article.

20.9 Filings and Notification. All documents, except the initial filing, required or permitted to be issued or filed pursuant to this Article may be transmitted by email, fax, United States mail, or any other recognized delivery service. In the event that any action falls due on a Saturday, Sunday, or holiday (as referred to in Section 17.6), the action will be considered timely if it is accomplished by 5:00 P.M. on the following business day.

20.10 Precedent. No complaint informally resolved, or grievance resolved at either Step 1 or 2, shall constitute a precedent for any purpose unless agreed to in writing by the Board of Trustees or representatives and the UFF acting through its President or representative.

20.11 Processing.

(a) The filing or pendency of any grievance or arbitration proceedings under this Article shall not operate to impede, preclude, or delay the Board from taking the action complained of. Reasonable efforts, including the shortening of time limits when practical, shall be made to conclude the processing of a grievance prior to the expiration of the grievant's employment, whether by termination or failure to reappoint. An employee with a pending grievance will not continue to be compensated beyond the last date of employment.

(b) The Unit Head, the Provost, or their designee, may refuse to process or consider a grievance not filed or processed in accordance with this Article.

20.12 Reprisal. No reprisal of any kind will be made by the Board, the University, or the UFF against any grievant, any witness, any UFF representative, or any other participant in the grievance procedure for such participation.

20.13 Records. All written materials pertinent to a grievance shall be filed separately

from the evaluation file of the grievant or witnesses, except decisions resulting from arbitration or settlement.

20.14 Inactive Grievances. A grievance which has been filed at Step 2 or Step 3 and on which no action has been taken by the grievant or the UFF for forty-five (45) days shall be deemed withdrawn and resolved in accordance with the decision issued at the prior Step.

20.15 Expedited Grievance Procedure for Conflict of Interest

(a) A grievance filed under Article 19.5 shall be heard at Step 2 by the Provost or designee no more than seven (7) days after it has been filed. The Provost or designee shall issue a Step 2 decision no more than 7 days after the Step 2 meeting.

(b) A written request for arbitration using Appendix "E" shall be filed within fourteen (14) days after receipt of the Step 2 decision. An arbitrator shall be selected by the parties no more than fourteen (14) days following the receipt of the written request using Appendix "E." The arbitrator shall issue a memorandum of decision within 7 days following the conclusion of the arbitration, to be followed by a written opinion and award in accordance with Section 20.8(f)(4).

(c) All other provisions of Article 20 shall apply to these grievances, except as noted above.

ARTICLE 21 OTHER EMPLOYEE RIGHTS

21.1 Professional Activities. Employees shall be encouraged to attend professional meetings, conferences, and activities with the approval of their supervisor. The University shall reimburse an employee for expenses related to such activities subject to the availability of funds and the approval of the supervisor, in accordance with the applicable provisions of State law and rules and regulations having the force and effect of law.

21.2 Office Space. To the extent possible, the University shall provide each faculty member with office space and office equipment commensurate with assigned responsibilities. Such equipment shall normally include a telephone, a computer, an internet connection, and access to a printer.

- (d) Full-time faculty members who provide confidential counseling services with the title of psychologist, psychiatrist, student counseling specialists or other mental health clinical faculty shall be provided with an enclosed individual lockable office, except in a circumstance where to do so would not be reasonably possible.

- (f) Before an employee's office location is changed, or before there is a substantial alteration to an employee's office to a degree that impedes the employee's work effectiveness, the affected employee shall be notified, if practicable, at least one (1) month prior to such change.

21.3 Safe Conditions.

- (a) In the event of a public health emergency, as defined by federal, state, and local governments, the World Health Organization (WHO), and the United States Centers for Disease Control (CDC), UFF and FAU's administration agree to the following:
 - (1) The Administration and UFF agree to have open discussions on the potential work modalities.
 - (2) The University shall provide decision-making factors to UFF in determining changes to course delivery modalities.
 - (3) In the event of altered teaching modalities, student and administrative evaluations of faculty performance may be considered in light of the disruption. Evaluators will consider whether faculty made a good faith effort to timely transition course materials and assess student learning outcomes to comply with the changed modalities.

- (4) If assigned faculty employment activities must be changed, those changes must be communicated to faculty, if practicable, no less than two weeks prior to the implementation of the changes.
- (5) The University agrees to include a representative recommended by UFF-FAU as an active member on its Emergency Operations Team (EOT).

The University Safety Committee shall include a faculty representative who may present faculty concerns. The University agrees to conduct a feasibility study on safety measures such as classroom door locks and window coverings and provide UFF-FAU a copy of the results.

21.4 Limitation on Personal Liability.

- (a) In the event an employee is sued for an act, event, or omission which may fall within the scope of Section 768.28, Florida Statutes, the employee should notify the President's office as soon as possible after receipt of the summons commencing the action in order that the University may fulfill its obligation. Failure to notify the employer promptly may affect the rights of the parties.
- (b) For information purposes, the following pertinent language of Section 768.28(9), Florida Statutes, is reproduced herein.

No officer, employee, or agent of the State or its sub-divisions shall be held personally liable in tort for any injuries or damages suffered as a result of any act, event or omission of action in the scope of his employment or function unless such officer, employee or agent acted in bad faith or with malicious purpose or in a manner exhibiting wanton or willful disregard of human rights, safety or property.

ARTICLE 22 STUDY LEAVE AND SABBATICALS

22.1 Study Leave.

- (a) Job-Required. An employee required to take academic course work as part of assigned duties shall not be required to charge time spent attending classes during the work day to accrued leave.
- (b) Job-Related. An employee may, at the discretion of the supervisor, be permitted to attend up to six (6) credits of course work per semester during work as part of the Employee Educational Scholarship Program, provided that:
 - (1) The course work is directly related to the employee's professional responsibilities;
 - (2) The supervisor determines that the absence will not interfere with the proper operation of the work unit;
 - (3) The supervisor believes that completion of the course work would improve the productivity of the department or function of which the employee is a part; and
 - (4) The employee's work schedule can be adjusted to accommodate such job-related study without reduction in the total number of work hours required per pay period.
- (c) Employees may, in accordance with this Article, use accrued annual leave for job-related study.

22.2 Sabbaticals.

- (a) Policy. Sabbaticals for professional development are to be made available to employees who meet the requirements set forth below. Such sabbaticals are granted to increase an employee's value to the University through enhanced opportunities for professional renewal, planned travel, study, formal education, research, writing, or other experience of professional value, not as a reward for service.
- (b) Types of Sabbaticals.
 - (1) The University will make available to each employee whose application has been reviewed by the University, a sabbatical for two (2) semesters (i.e., one (1) academic year) at half-pay, subject to the conditions set forth below.

Full-time employees who at the time of application are tenured and serving as Associate Professor, Professor, or Associate University Librarian or University Librarian, and who will have completed at least six (6) years of continuous full-time service within the University before beginning the sabbatical, shall be eligible to apply for initial sabbaticals. An employee who is compensated through a contract or grant may receive a sabbatical only if the contract or grant allows a sabbatical and the employee meets all other eligibility requirements.
- (2) Subsequent Sabbaticals at FAU. Employees shall not normally be eligible for a second sabbatical until six (6) years of continuous full-time service are completed following the prior sabbatical. Employees may apply during the sixth year.
- (3) Employees who have received discipline pursuant to Article 16 during the year of application for sabbatical, or are on a Personal Improvement Plan are ineligible for sabbatical leave.

(d) Application and Selection.

- (1) Applications for sabbaticals shall be submitted in accordance with University procedures established through the consultation process (Article 2). Each application shall include a statement describing the program and activities to be followed while on sabbatical, the expected increase in value of the employee to the University and the employee's academic discipline, specific results anticipated from the leave, any anticipated supplementary income, and a statement that the applicant agrees to comply with the conditions of the sabbatical program as described in 22.2(e).
- (2) Sabbaticals at half-pay shall be granted unless the University has determined that the conditions set forth in this Article have not been met or that departmental/unit staffing considerations preclude such sabbatical from being granted. In this latter instance, the employee shall be provided the sabbatical the following year, or at a later time as agreed to by the employee and the University. The period of postponement shall be credited for eligibility for a subsequent sabbatical.
- (3) If there are more applicants for one (1) semester sabbaticals at full-pay than available sabbaticals, the Research Committee of the University Faculty Senate shall rank the applicants. The committee, in ranking the applicants, shall consider the benefits of the proposed program to the employee, the University and the profession; the length of time since the

employee was relieved of teaching duties for the purpose of research and other scholarly activities; and length of service since previous sabbatical or initial appointment. The committee shall submit a ranked list of recommended employees to the President or representative. The President or representative shall make appointments from the list and consult with the committee prior to an appointment that does not follow the committee's ranking.

- (4) No more than one (1) employee in a department/unit shall be awarded a sabbatical at the same time, unless the President or representative determines that there will be no adverse impact to the operations of the department

(e) Terms of Sabbatical Program.

- (1) While on sabbatical, the employee's salary shall be one half-pay for two (2) semesters (one (1) academic year), or full-pay for one semester.
- (2) The employee must return to the University for at least one (1) academic year following participation in the program. Agreements to the contrary must be reduced to writing prior to participation. Return to the University of salary received during the program will be required in those instances where neither of the above is satisfied.
- (3) The employee must, within sixty (60) days of completion of the sabbatical, provide a concise written report of the employee's accomplishments during the sabbatical to the President or representative. This report shall include information regarding the activities undertaken during the sabbatical, the results accomplished during the sabbatical as they affect the employee and the University, and research or other scholarly work produced or expected to be produced as a result of the sabbatical.
- (4) Contributions normally made by the University to retirement and Social Security programs shall be continued on a basis proportional to the salary received. Board contributions normally made to employee insurance programs and any other employee benefit programs shall be continued during the sabbatical.
- (5) Eligible employees shall continue to accrue annual and sick leave on a full-time basis during the sabbatical.
- (6) While on leave, an employee shall be permitted to receive funds for travel and living expenses, and other sabbatical-related expenses, from sources other than the University such as fellowships, grants-in-aid, and contracts and grants, to assist in accomplishing the purposes of the sabbatical. Receipt of funds for such purposes shall not result in reduction of the

employee's University salary. Grants for such financial assistance from other sources may, but need not, be administered through the University. If financial assistance is received in the form of salary, the University salary shall normally be reduced by the amount necessary to bring the total income of the sabbatical period to a level comparable to 125% of the employee's current year salary rate. Employment unrelated to the purpose of the sabbatical leave is governed by the provisions of Article 19, Conflict of Interest And Outside Activity.

(7) If plans include providing technical information to persons who are not United States citizens, an employee must consult with the Office of General Counsel prior to departure. The provision of technical knowledge outside the United States is considered an export and is regulated by the U.S. Commerce Department or the State Department depending upon the type of knowledge being exported. Those agencies require a license before the knowledge may be communicated.

(8) The awarding of a sabbatical is not justification to alter the awardee's annual teaching or instructional assignment.

22.3 Retraining. The University may, at its discretion, provide opportunities for retraining of employees when it is in the University's best interests. Such opportunities may be provided to employees who are laid off, to those who are reassigned, or in other appropriate circumstances. These retraining opportunities may include enrollment in tuition-free courses.

22.4 FAUS Sabbaticals.

(a) Policy. Sabbaticals for research or scholarly work are to be made available to employees who meet the requirements set forth below. Such sabbaticals are granted to increase an employee's value to the FAUS through enhanced opportunities for research, writing, or other experience of professional value, not as a reward for service.

(b) Type of Sabbatical. Once every two (2) years, the FAUS will make available at least one (1) sabbatical at half-pay for one (1) FAUS academic year for eligible employees, subject to the conditions set forth below. FAUS may provide sabbaticals that are equivalent to the one (1) year, half-pay sabbatical upon consultation with the UFF Chapter representative.

(c) Eligibility for Sabbatical. Full-time employees ranked as University School Associate Professor or University School Professors with at least six (6) years of full-time service at the FAUS shall be eligible for sabbaticals. Eligible employees shall be notified annually regarding eligibility requirements and application deadlines.

- (1) Applications for sabbaticals shall be submitted in accordance with procedures established through the FAUS consultation process (Article 2). At a minimum, each application shall include a statement describing the program and activities to be followed while on sabbatical, the expected increase in value of the employee to FAUS and his/her academic discipline, specific results anticipated from the leave, any anticipated supplementary income, and a statement that the applicant agrees to comply with the conditions of the sabbatical program as described in 22.4(e).
- (2) A joint College of Education/FAUS Research Committee shall rank the applicants for the purpose of making a recommendation to the dean or designee regarding the awarding of the sabbatical. The committee shall be comprised of employees chosen by the dean or designee in consultation with UFF. The committee chairperson shall be selected by majority vote of the committee. The committee, in ranking the applicants, shall consider the benefits of the proposed program to the employee, the FAUS, and the profession; the needs of the FAUS; and the length of time since the employee was last provided an opportunity for professional renewal. The committee shall submit a ranked list of recommended employees to the dean or designee who shall make the final decision regarding the awarding of the sabbatical.

(e) Terms of Sabbatical Program.

- (1) The employee must return to the FAUS for at least one (1) academic year immediately following the sabbatical. Agreements to the contrary must be reduced to writing prior to participation. Return to the FAUS of salary received during the program may be required in those instances where neither of the above is satisfied.
- (2) The employee must, within sixty (60) days of returning from the sabbatical, provide a concise written report of the employee's accomplishments during the sabbatical to the dean or designee. This report shall include information regarding the activities undertaken during the sabbatical, the results accomplished during the sabbatical as they affect the employee and the FAUS and research or other scholarly work produced or expected to be produced as a result of the sabbatical.
- (3) Employees shall not normally be eligible for a second sabbatical until six (6) years of continuous service are completed following the first.
- (4) Contributions normally made by the Board to retirement and Social Security programs shall be continued on a basis proportional to the salary

received. Board contributions normally made to employee insurance programs and any other employee benefit programs shall be continued during the sabbatical.

- (5) Employees shall continue to accrue sick leave on a full-time basis during the sabbatical.

ARTICLE 23 SALARIES

APPENDIX G

FLORIDA ATLANTIC UNIVERSITY Board of Trustees/United Faculty of Florida

EXCLUSIVE ASSIGNMENT DISPUTE RESOLUTION PROCEDURE

G.1 Exclusive Method.

- (a) The Board of Trustees and the United Faculty of Florida agree to the following procedure as the exclusive method of resolving disputes under Section 9.3 of the Agreement which allege that an employee's assignment has been imposed arbitrarily or unreasonably.
- (b) An employee who alleges that the assignment has been imposed arbitrarily or unreasonably may file a grievance under Article 20 of the BOT/UFF Agreement only to enforce the exclusive Assignment Dispute Resolution (ADR) procedure delineated below, not to seek a determination as to whether an assignment has been arbitrarily or unreasonably imposed.

G.2 Time Limits.

- (a) The dispute shall not be processed unless it is filed within thirty (30) days after the receipt of the assignment by the employee. If the employee's assignment begins prior to final resolution of the dispute, the employee shall perform the assignment until the matter is finally resolved under these procedures.
- (b) All time limits contained herein may be extended by mutual agreement of the University and the UFF representative. Upon failure of the employee's UFF representative to comply with the time limits herein, the dispute shall be deemed to have been finally determined at the prior step.
- (c) All references to "days" herein refer to "calendar days." The "end of the day" shall refer to the end of the business day, i.e., 5:00 p.m.

G.3 Assignment Dispute Resolution Procedures.

- (a) An employee who believes that the assignment has been imposed arbitrarily or unreasonably shall, within thirty (30) days after receipt of the assignment, file Part 1 of the ADR Form with the individual responsible for making the assignment. The filing of the ADR Form shall be accompanied by a brief and concise statement of the employee's arguments, and any relevant documentation supporting the employee's position. This documentation shall be placed in a file entitled "Employee's Assignment Dispute Resolution File," which shall be kept separate from the employee's personnel evaluation file. Additional documentation shall not be considered in the ADR process except by agreement

of the President's representative unless it is documentation that the employee requested from the University prior to the conference held pursuant to (b) below, but did not receive before such conference.

- (b) Within four (4) days of receipt of the ADR Form, the individual responsible for making the assignment shall meet with the employee and discuss the dispute. Within twenty-four (24) hours after this conference, such individual shall complete Part 1 of the ADR Form and deliver it to the employee.
- (c) If the employee continues to be aggrieved following the initial conference, the employee shall file the ADR Form, with Part 1 completed, with the Dean or other appropriate administrator no later than four (4) days after the initial conference.
- (d) The UFF representative shall schedule a meeting with the Dean or other appropriate administrator to be held no later than four (4) days after filing the ADR Form with the Dean or other appropriate administrator. At this meeting, the employee, the UFF representative, and the Dean or appropriate administrator shall discuss the dispute and attempt to resolve it. Within twenty-four (24) hours after the conclusion of this meeting, the Dean or appropriate administrator shall complete Part 2 of the ADR Form and deliver it to the UFF representative.
- (e) If consultation with the Dean or appropriate administrator does not resolve the matter, the UFF representative may file, within four (4) days of that meeting, Part 3 of the ADR Form (with supporting documentation) with the President's representative, indicating an intention to submit the dispute to a Neutral Umpire.
- (f) Within seven (7) days of receipt of the completed ADR Form and other documentation, the President's representative may place a written explanation, brief statement of the University's position, a list of expected witnesses, and other relevant documentation in the employee's ADR File. As soon as practicable thereafter, a copy of all documents placed in the employee's ADR File shall be presented to the UFF representative, who shall place a list of the employee's expected witnesses into the file.
- (g) At the time that the completed ADR Form is submitted to the President's representative, the UFF representative shall schedule a meeting with the President's representative for the purpose of selecting a Neutral Umpire from the Neutral Umpire Panel. This meeting shall be scheduled for no later than seven (7) days after filing of the completed ADR Form. Selection of the Neutral Umpire shall be by mutual agreement or by alternatively striking names from the Neutral Umpire Panel list until one name remains. The right of first choice to strike from the list shall be determined by the toss of a coin. The right to strike first shall alternate in any subsequent Neutral Umpire selection.
- (h) The President's representative shall contact the selected Umpire no later than three (3) days following the selection. Should the Umpire selected be unable to

serve, the President's representative shall contact the UFF representative as soon as practicable and schedule another selection meeting.

- (i) Upon the agreement of the Neutral Umpire to participate, the President's representative shall provide the Umpire with the employee's ADR File.
- (j) The ADR Meeting shall be scheduled as soon as practicable after the Neutral Umpire has received the employee's ADR File. The President's representative shall notify the UFF representative of the time and place of the ADR Meeting no later than forty-eight (48) hours prior to it being convened.
- (k) No person concerned with or involved in the assignment dispute shall attempt to lobby or otherwise influence the decision of the Umpire.
- (l) The ADR Meeting shall be conducted as follows:
 - (1) The employee, or a UFF representative, and a representative of the President shall be the sole representatives of the parties. Each representative may present documentary evidence from the employee's ADR File, interrogate witnesses, offer arguments, cross-examine witnesses, and have present at the meeting one individual to assist in the presentation of the representative's case.
 - (2) The Neutral Umpire will conduct and have total authority at the ADR Meeting. The Neutral Umpire may conduct the ADR Meeting in whatever fashion, consistent with this Agreement that will aid in arriving at a just decision.
 - (3) The Umpire shall submit to all parties on Part 4 of the ADR Form within forty-eight (48) hours after the close of the ADR Meeting a written, binding decision as to whether the assignment was imposed arbitrarily or unreasonably. The decision shall include the reasons for the Umpire's determination.
 - (4) If the Umpire decides that the employee's assignment was imposed arbitrarily or unreasonably, the President or President's designee shall use the Umpire's decision in fashioning an appropriate remedy.

G.4 Neutral Umpire Panel.

- (a) The President's representative and the UFF representative shall meet within two (2) weeks of the ratification of this Agreement for the purpose of selecting an odd-numbered Neutral Umpire Panel. The Panel shall consist of no less than five (5) and no more than nine (9) individuals, not employed by the University, who meet the following qualifications:

- (1) familiarity with academic assignments;
 - (2) an ability to serve as Neutral Umpire on short notice;
 - (3) a willingness to serve on the Panel for one academic year; and
 - (4) acceptability to both the University and the UFF.
- (b) The President's representative and the UFF representative are encouraged to select educators from other institutions in the area, fully retired faculty and administrators, and professional mediators and arbitrators, to be on the Neutral Umpire Panel. In the event the parties cannot reach agreement on Panel membership, a representative of the Board and a UFF member holding a statewide office or position shall select the Panel.
- (c) Panel membership may be reviewed, at the initiation of the University or the UFF, through written notice provided before the end of the preceding fiscal year.
- G.5 Expenses. All fees and costs of the Neutral Umpire shall be borne equally by the University and the UFF.
